World within a world

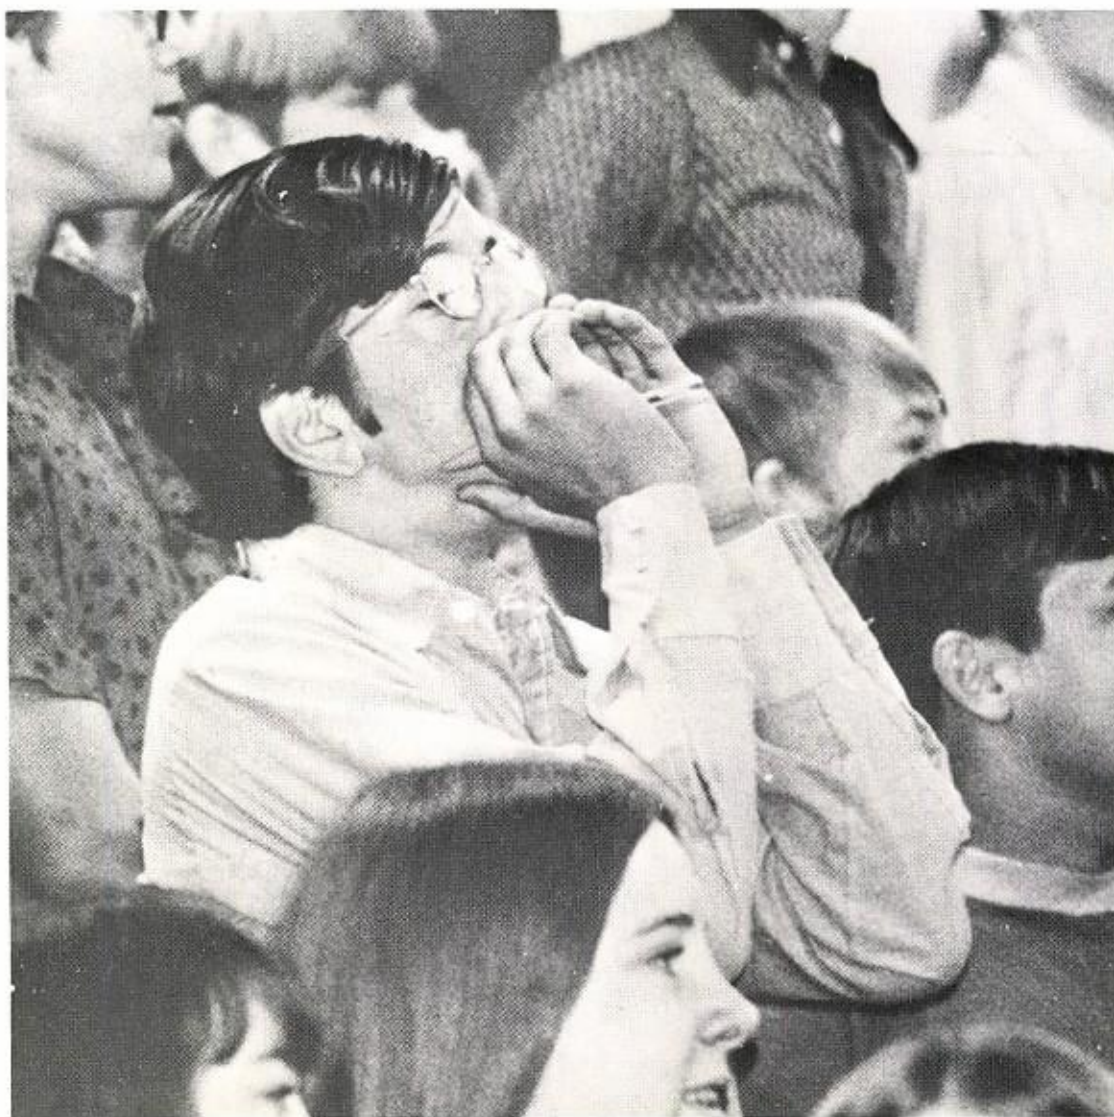

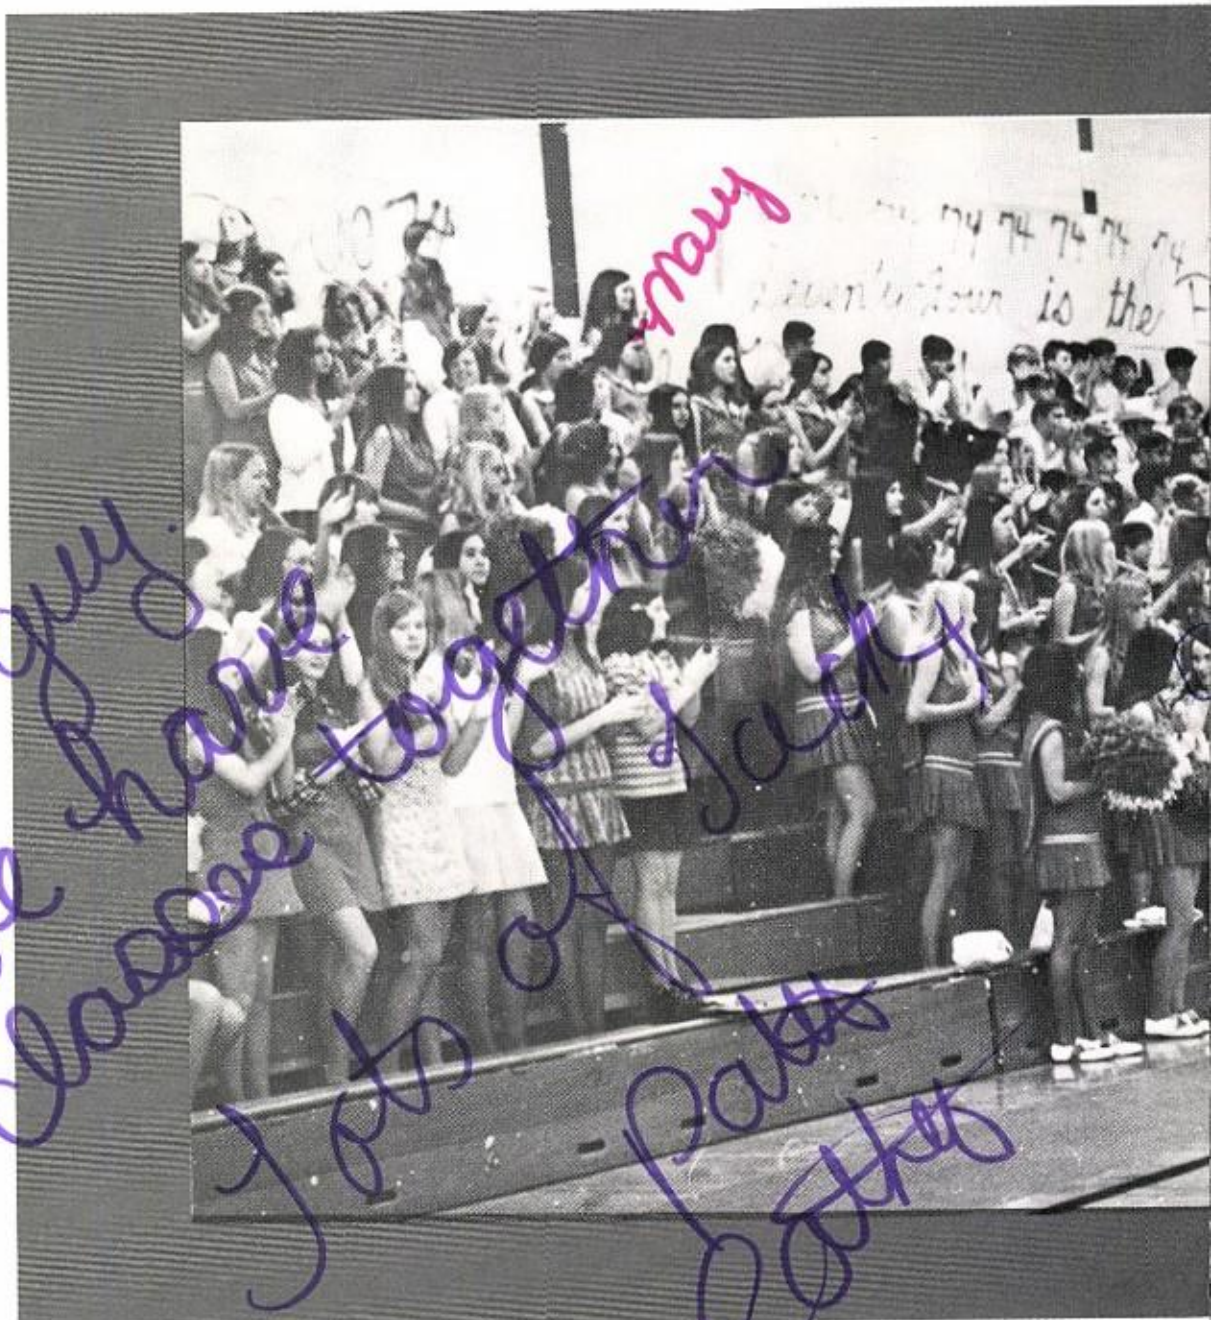

We are a world . . . a world within a world. Each individual is someone, saying something, and being heard.

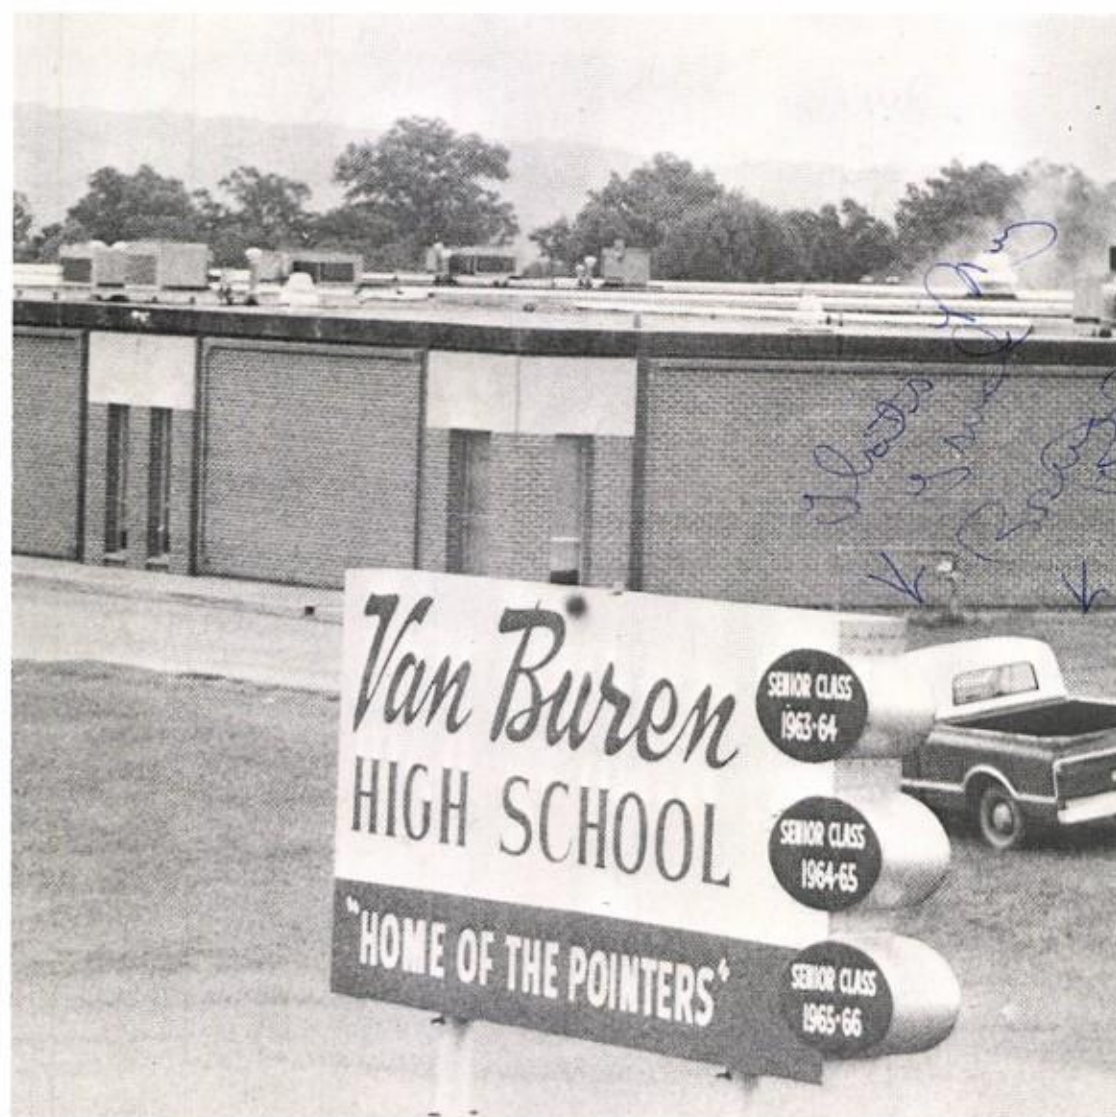

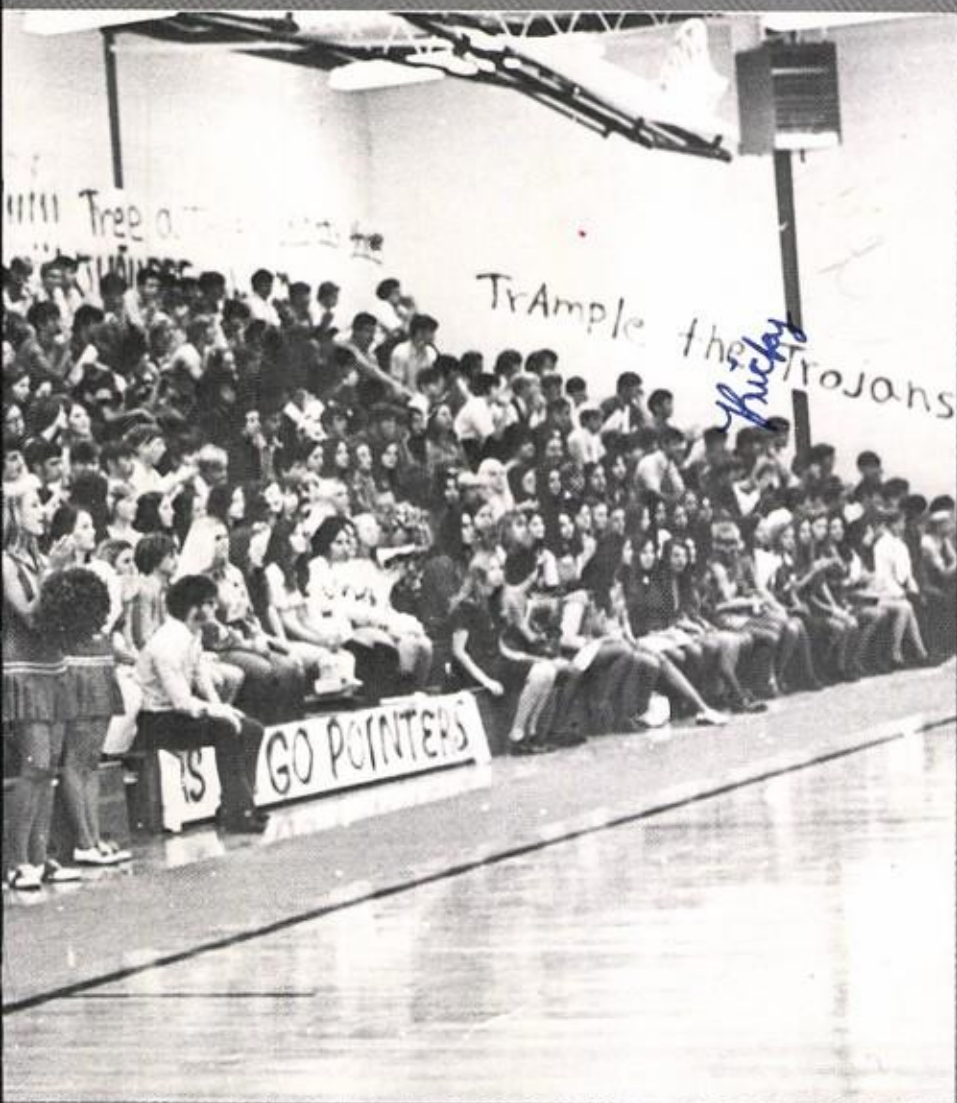

We stand surrounded by a larger, more intricate, but no less demanding world.

We have those who represent us, just as our city, state, and nation do. We have those who rise to the top in various fields of endeavor.

Every year many more enter our world and are accepted, each ensuing year revitalizes Van Buren High School. Others graduate and move into that larger world which challenges us all.

We find life goes on, both within and without. Yet, it is our three-year world that is all important now. It is a world of commitment, accomplishment, involvement, development, and acknowledgment.

A world of honors

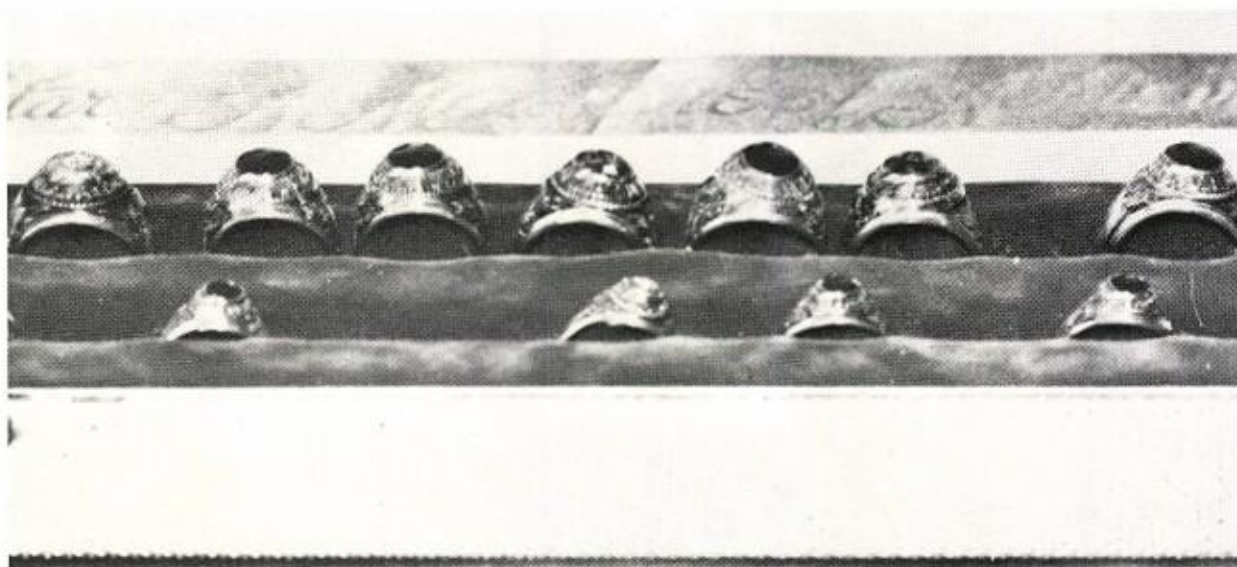

The school year 1972-73 offered more advantages and more rights to Van Buren High School students than ever before. The question was: would the student body equal the challenge?

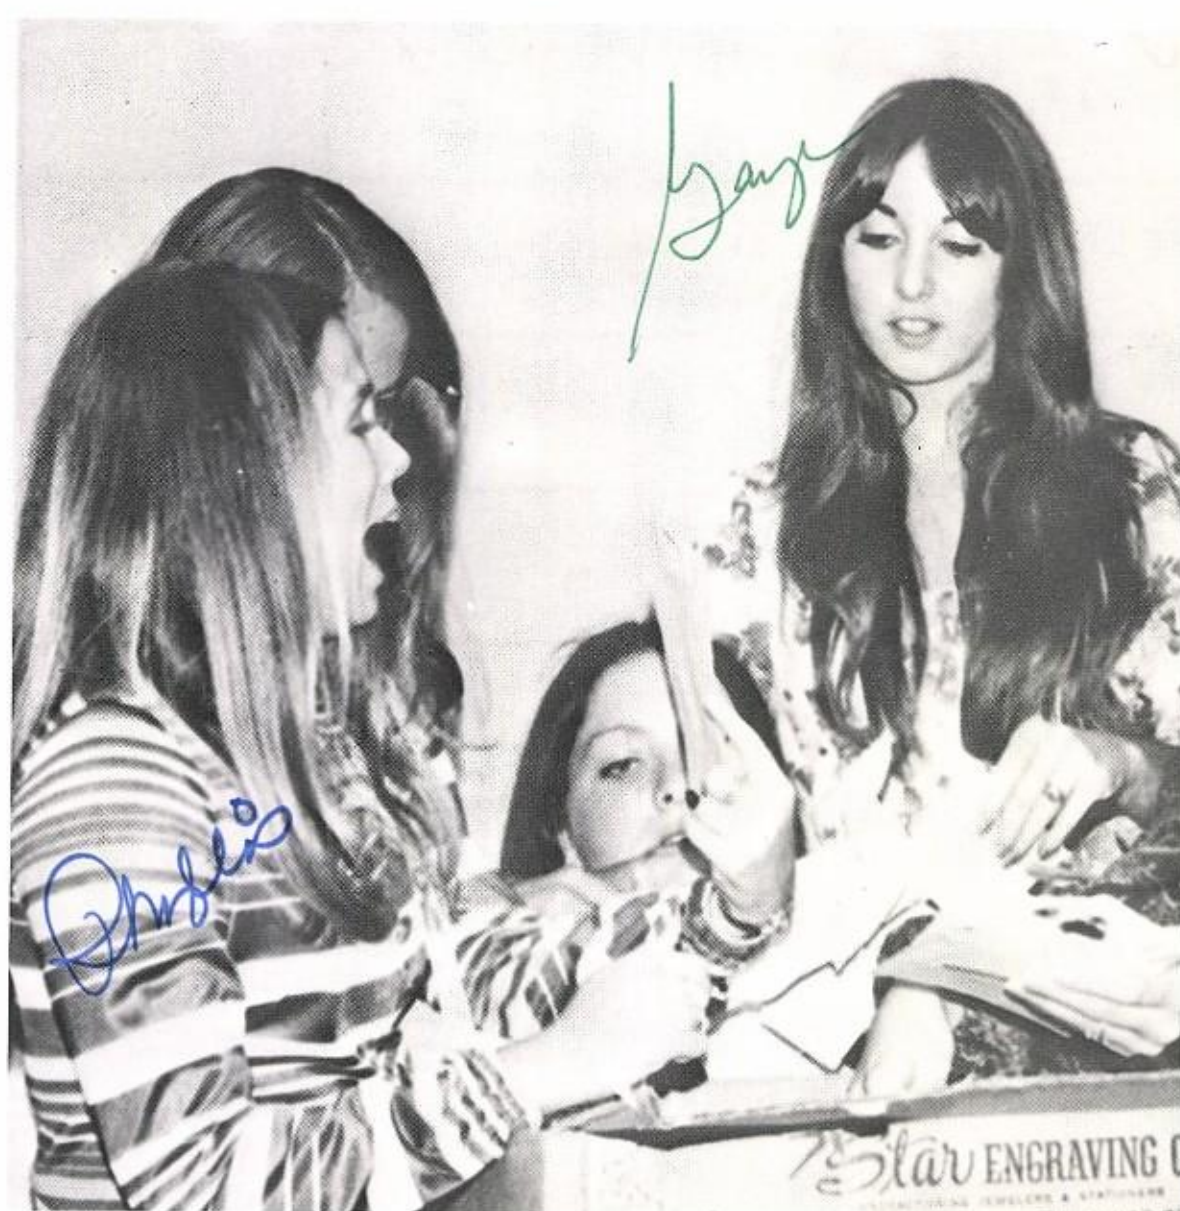

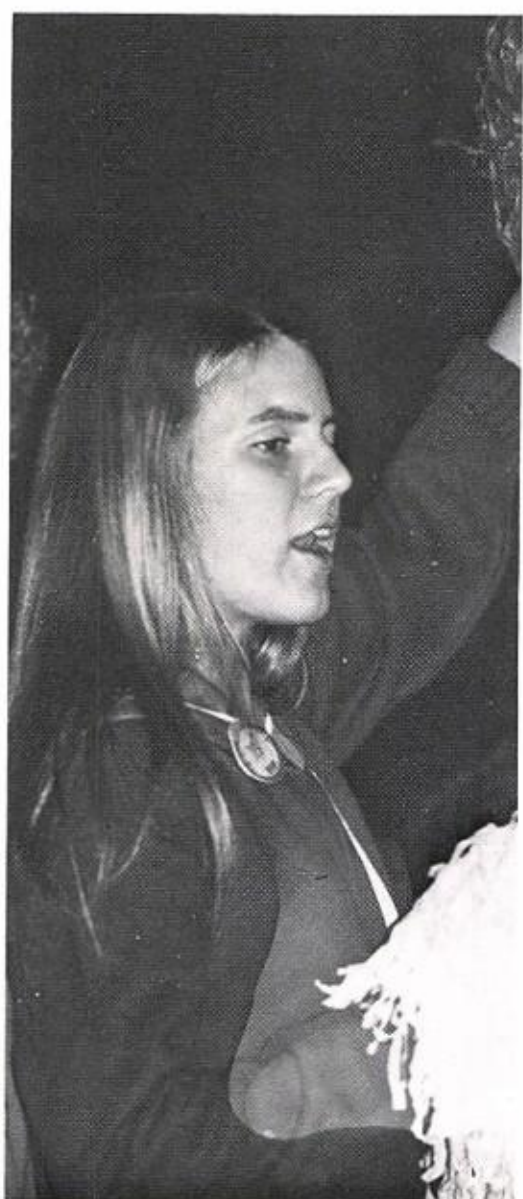

The demands were great. The requirements of an active year are always more stringent than a mediocre one. Yet even in the early days of classes, where spirit can be lowered, VBHS was showing it was anything but average.

During the course of this somewhat short nine month period, awards have gone to the athletic department, chorus, music, Pointer Band, Student Council, ROTC, DECA and many other groups of large membership. In addition, class-related clubs have won honors; many times competing with other schools, and hosting events on the Van Buren campus.

And, there have been academic awards, with more yet to come.

These achievements didn't come easily. But this was part of the fun of gaining them.

'72 Signmaking Inspires Spirit

Paint brushes, paper, old clothes and a desire to boost the Pointers These are the ingredients of a Van Buren sign-making party, and the colors green and white.

It is a time for soft drinks and snacks, stereo, and discussion of the day's events. All classes enjoy them, but for seniors they are special. Maybe that's why they tend to put more of themselves into their work.

Yet, sophomores, juniors, and seniors—totaling close to 650 students—all know that spirit is contagious . . . and a few pieces of colored paper can make all the difference.

SIGN PREPARATION requires diligence, patience as Ken Neckar and Jeff Brooks can attest.

Serving means reaching out to help

Serving means giving of one's self on behalf of others.

It touches us all.

All the hard work and service by so many will never be fully recognized . . .

Only a few of the names will ever be spoken in praise, but much of the enjoyment will never be forgotten.

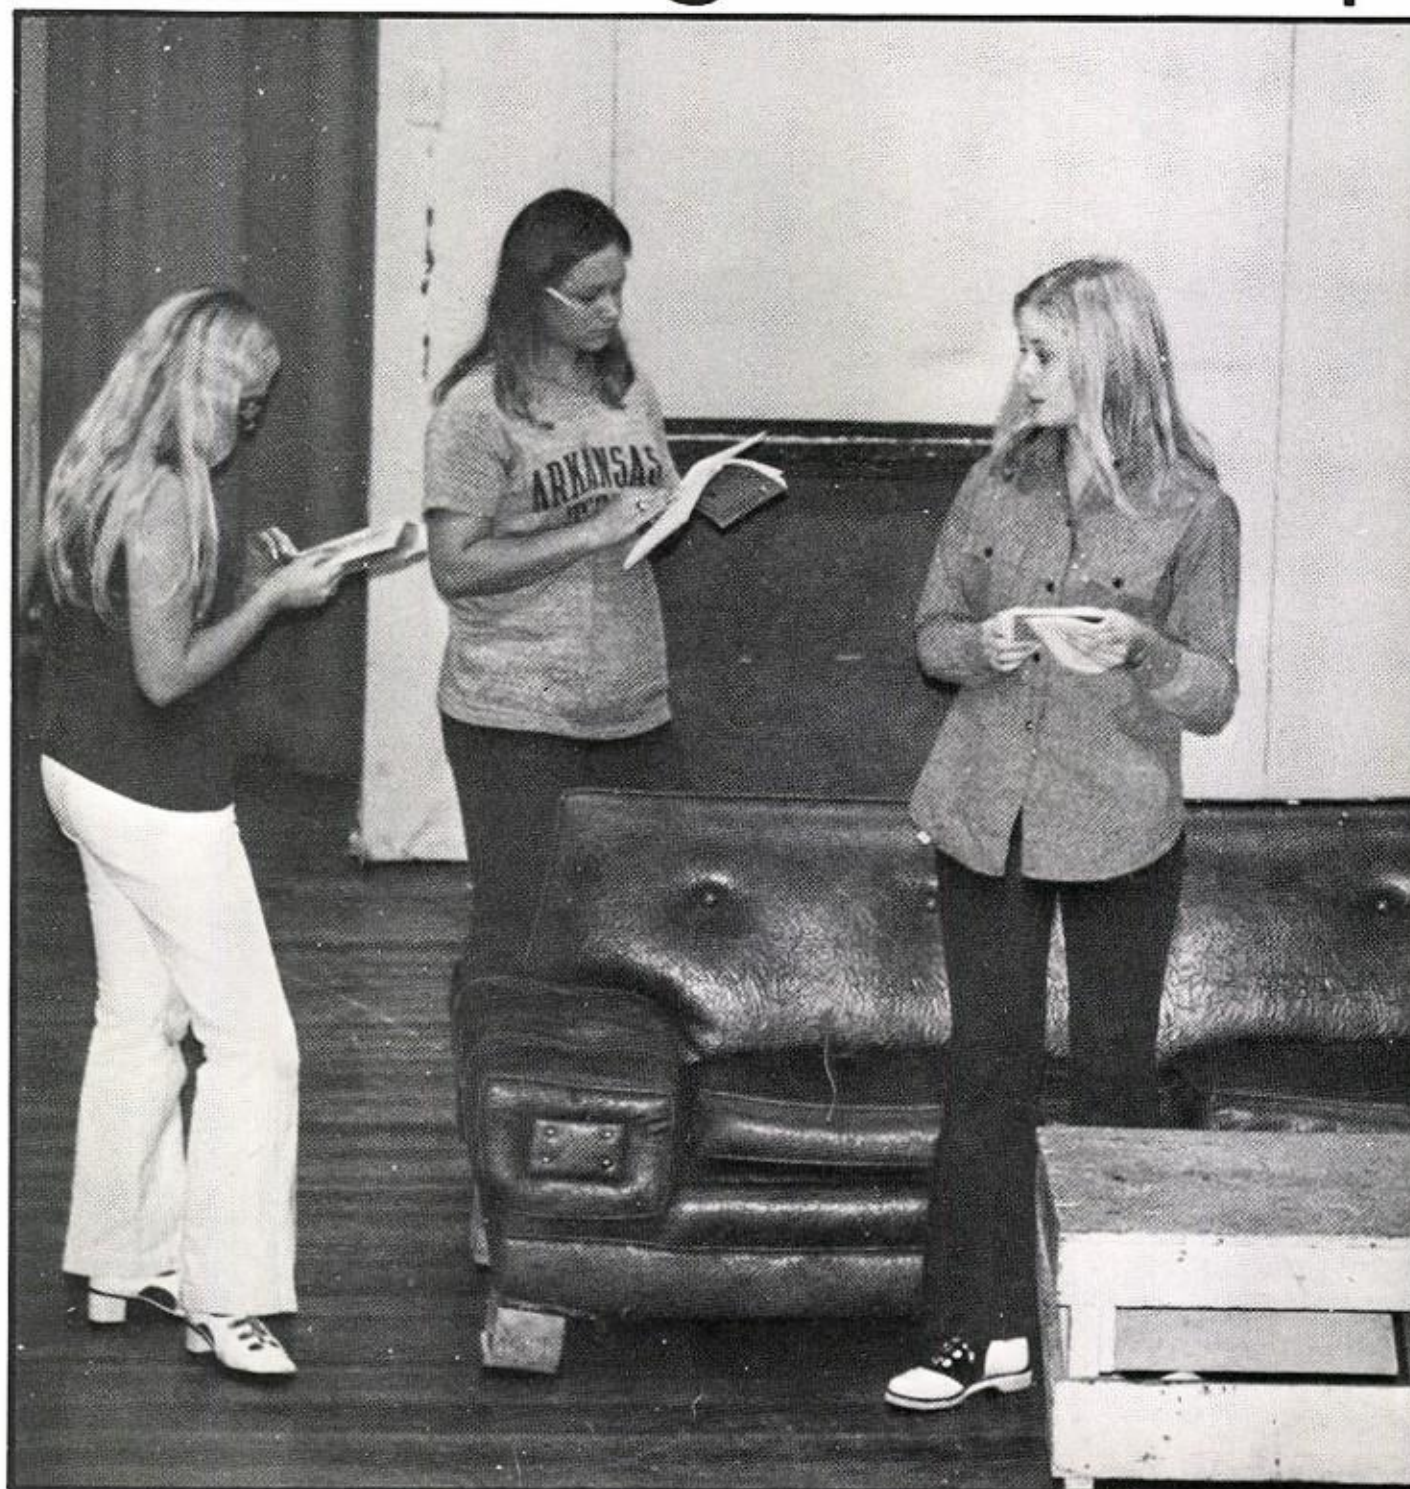

Memories remain—of the hard work that once never seemed good enough . . .

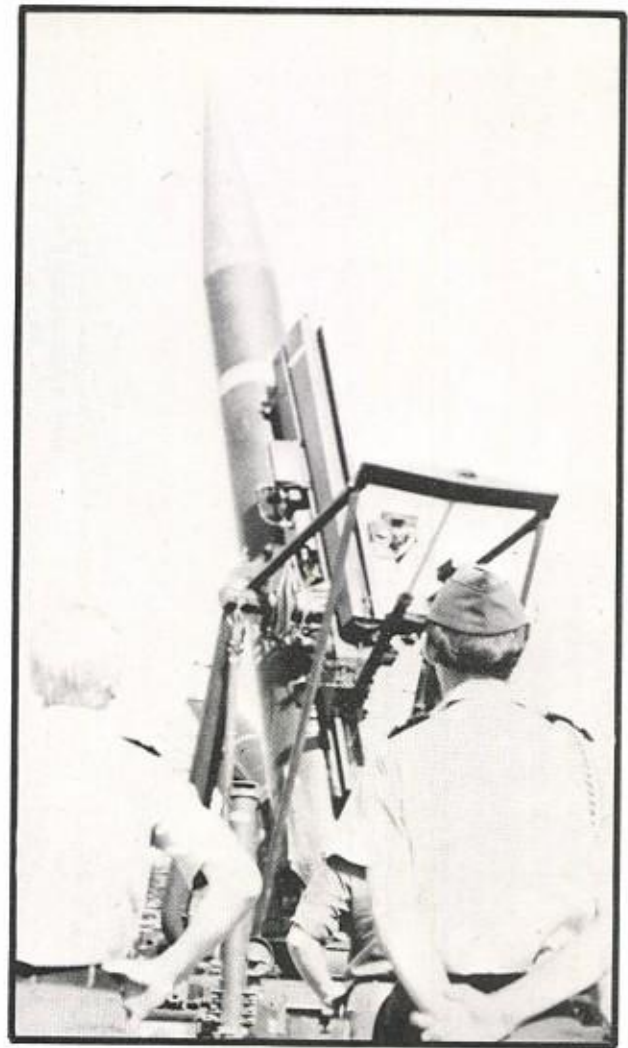

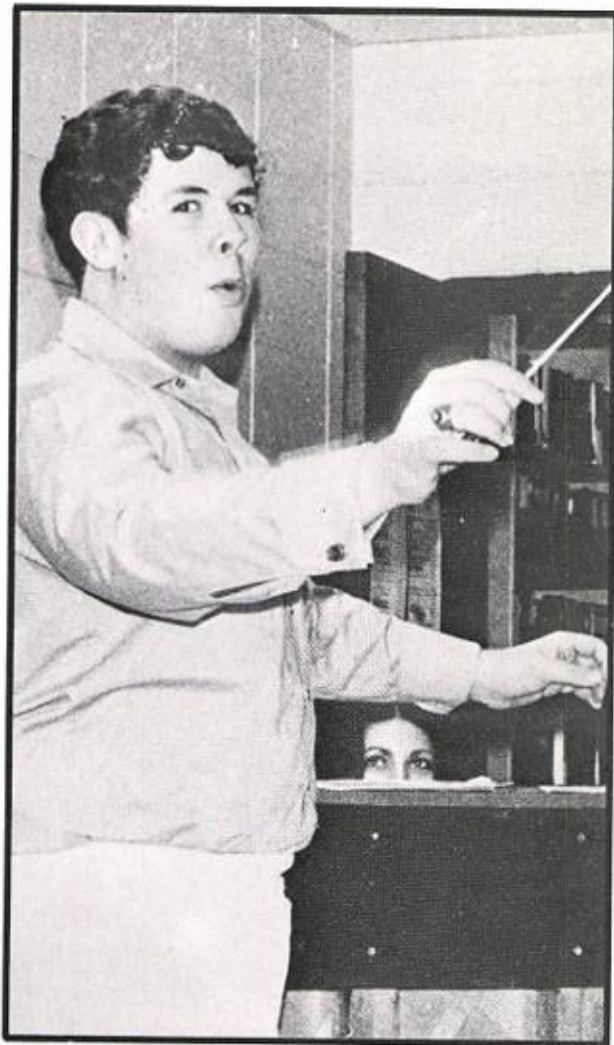

. . . the "worked-on ideas" that once never seemed quite right enough . . .

. . . our work, that at times seemed too much to accomplish . . .

All are now seen in a different light—The light of experience, an experience through service.

"OUR SERVICE"

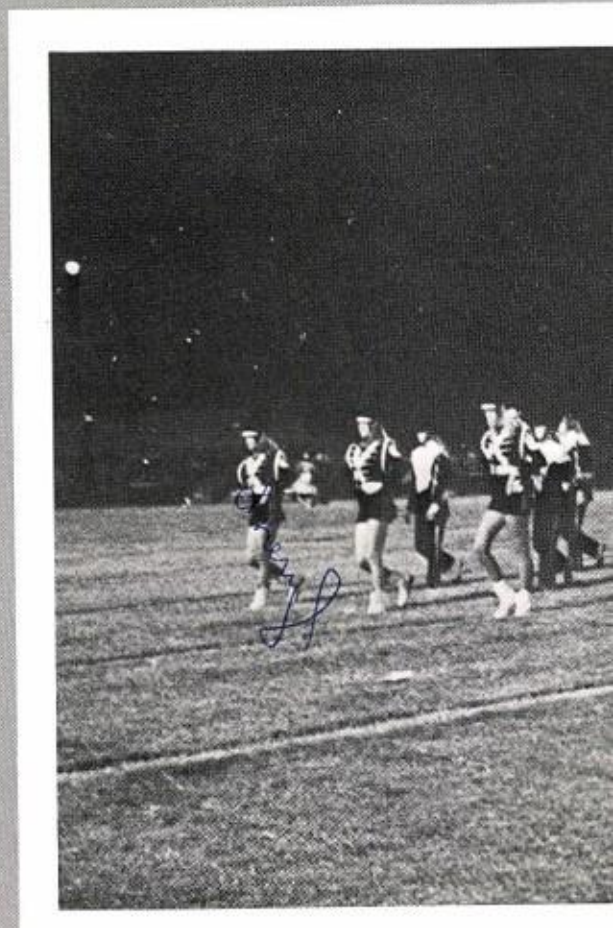

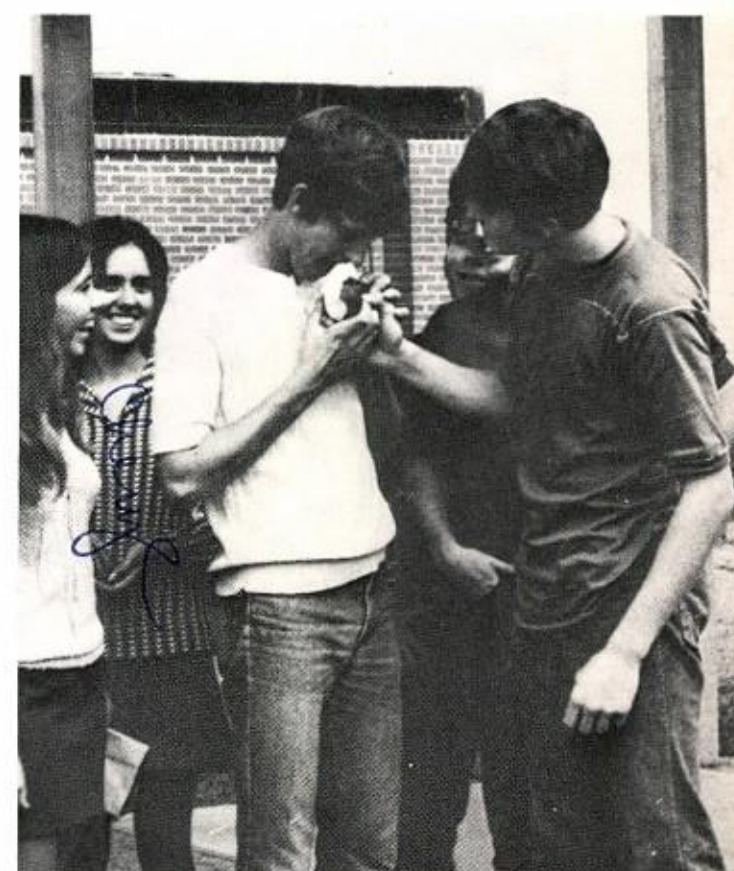

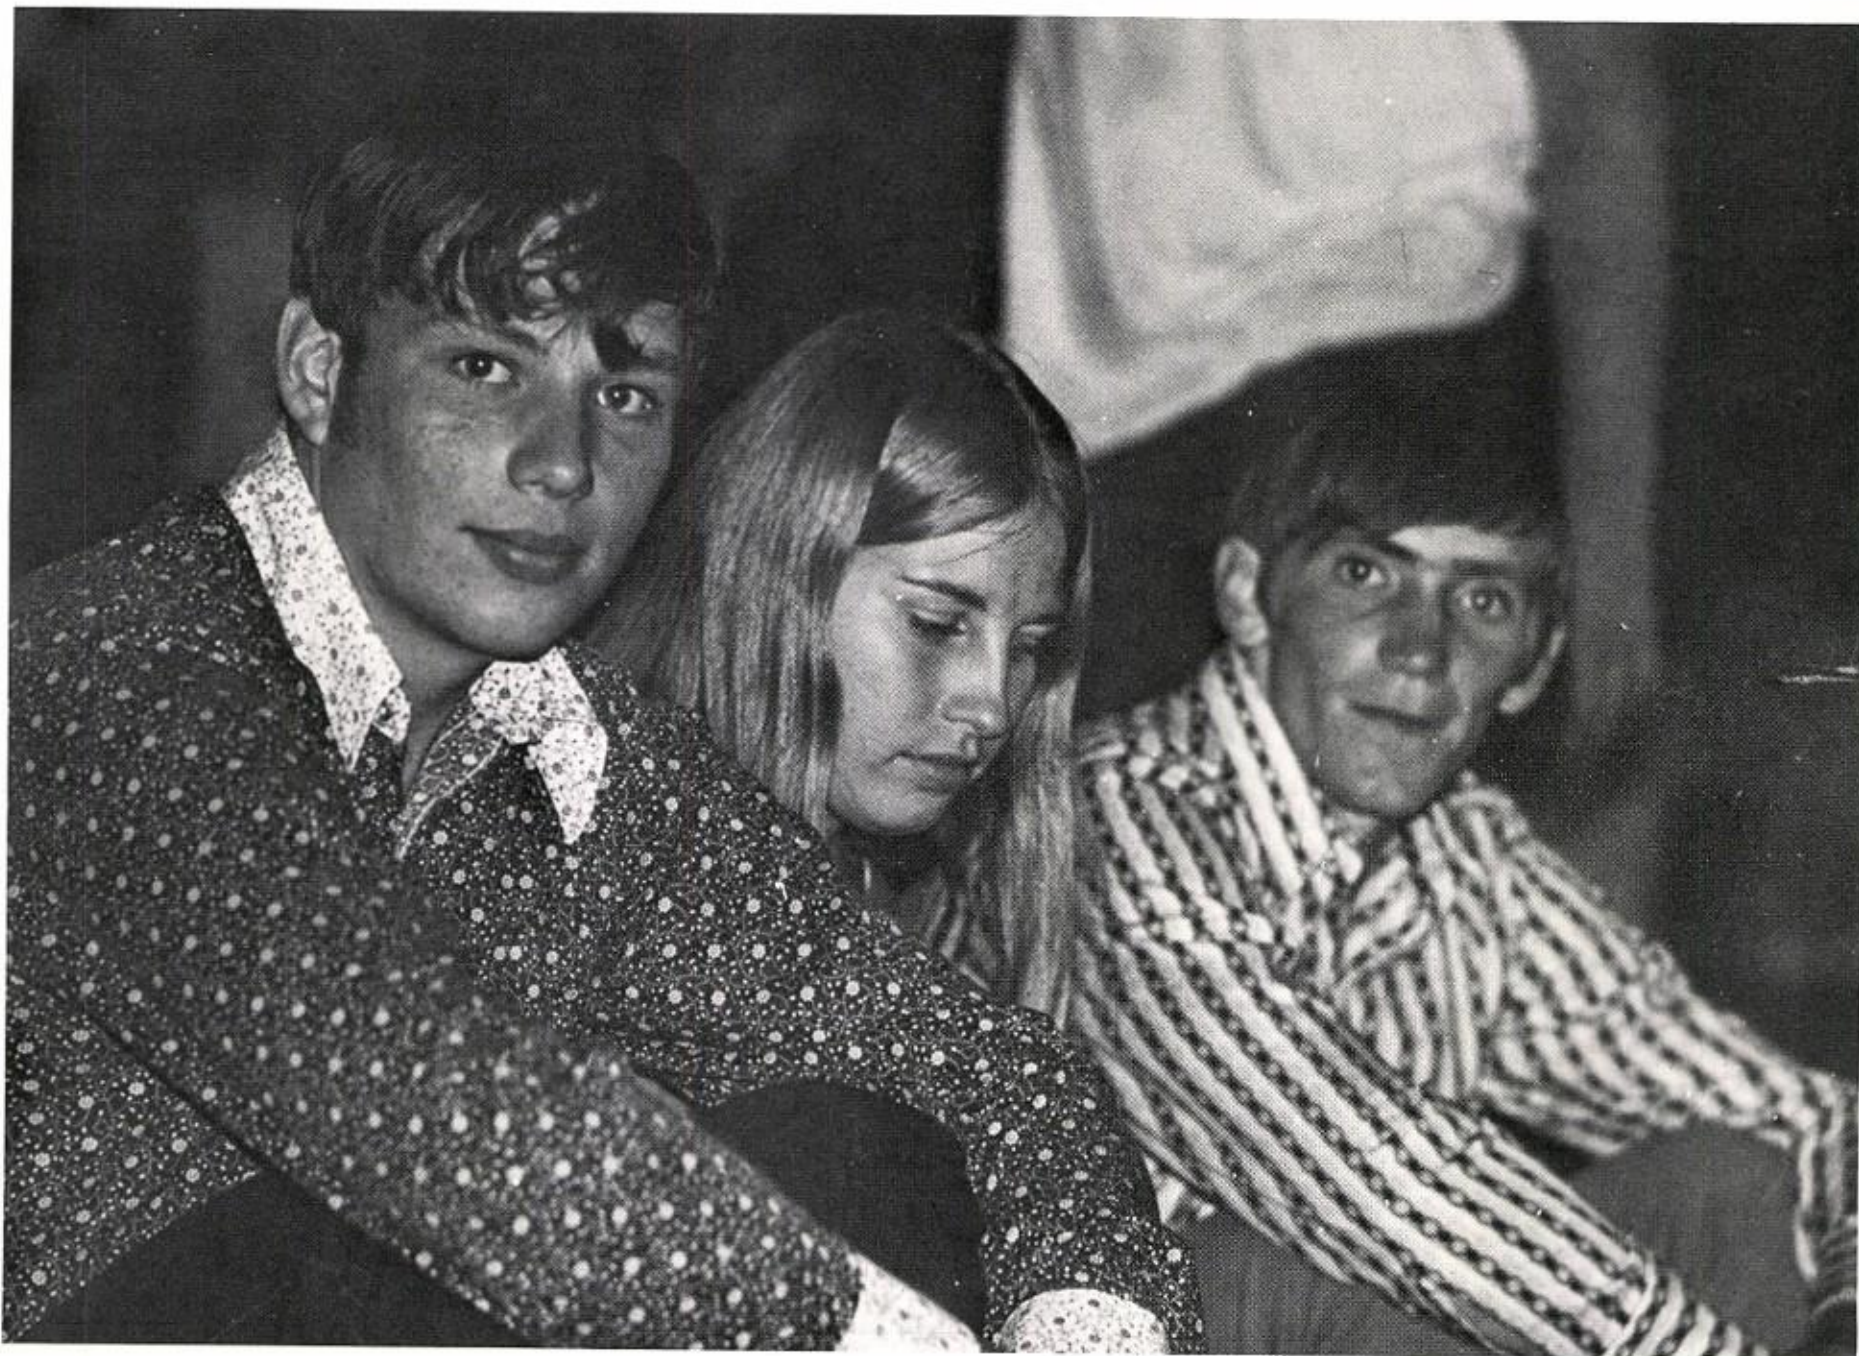

Emotions place imprint on year

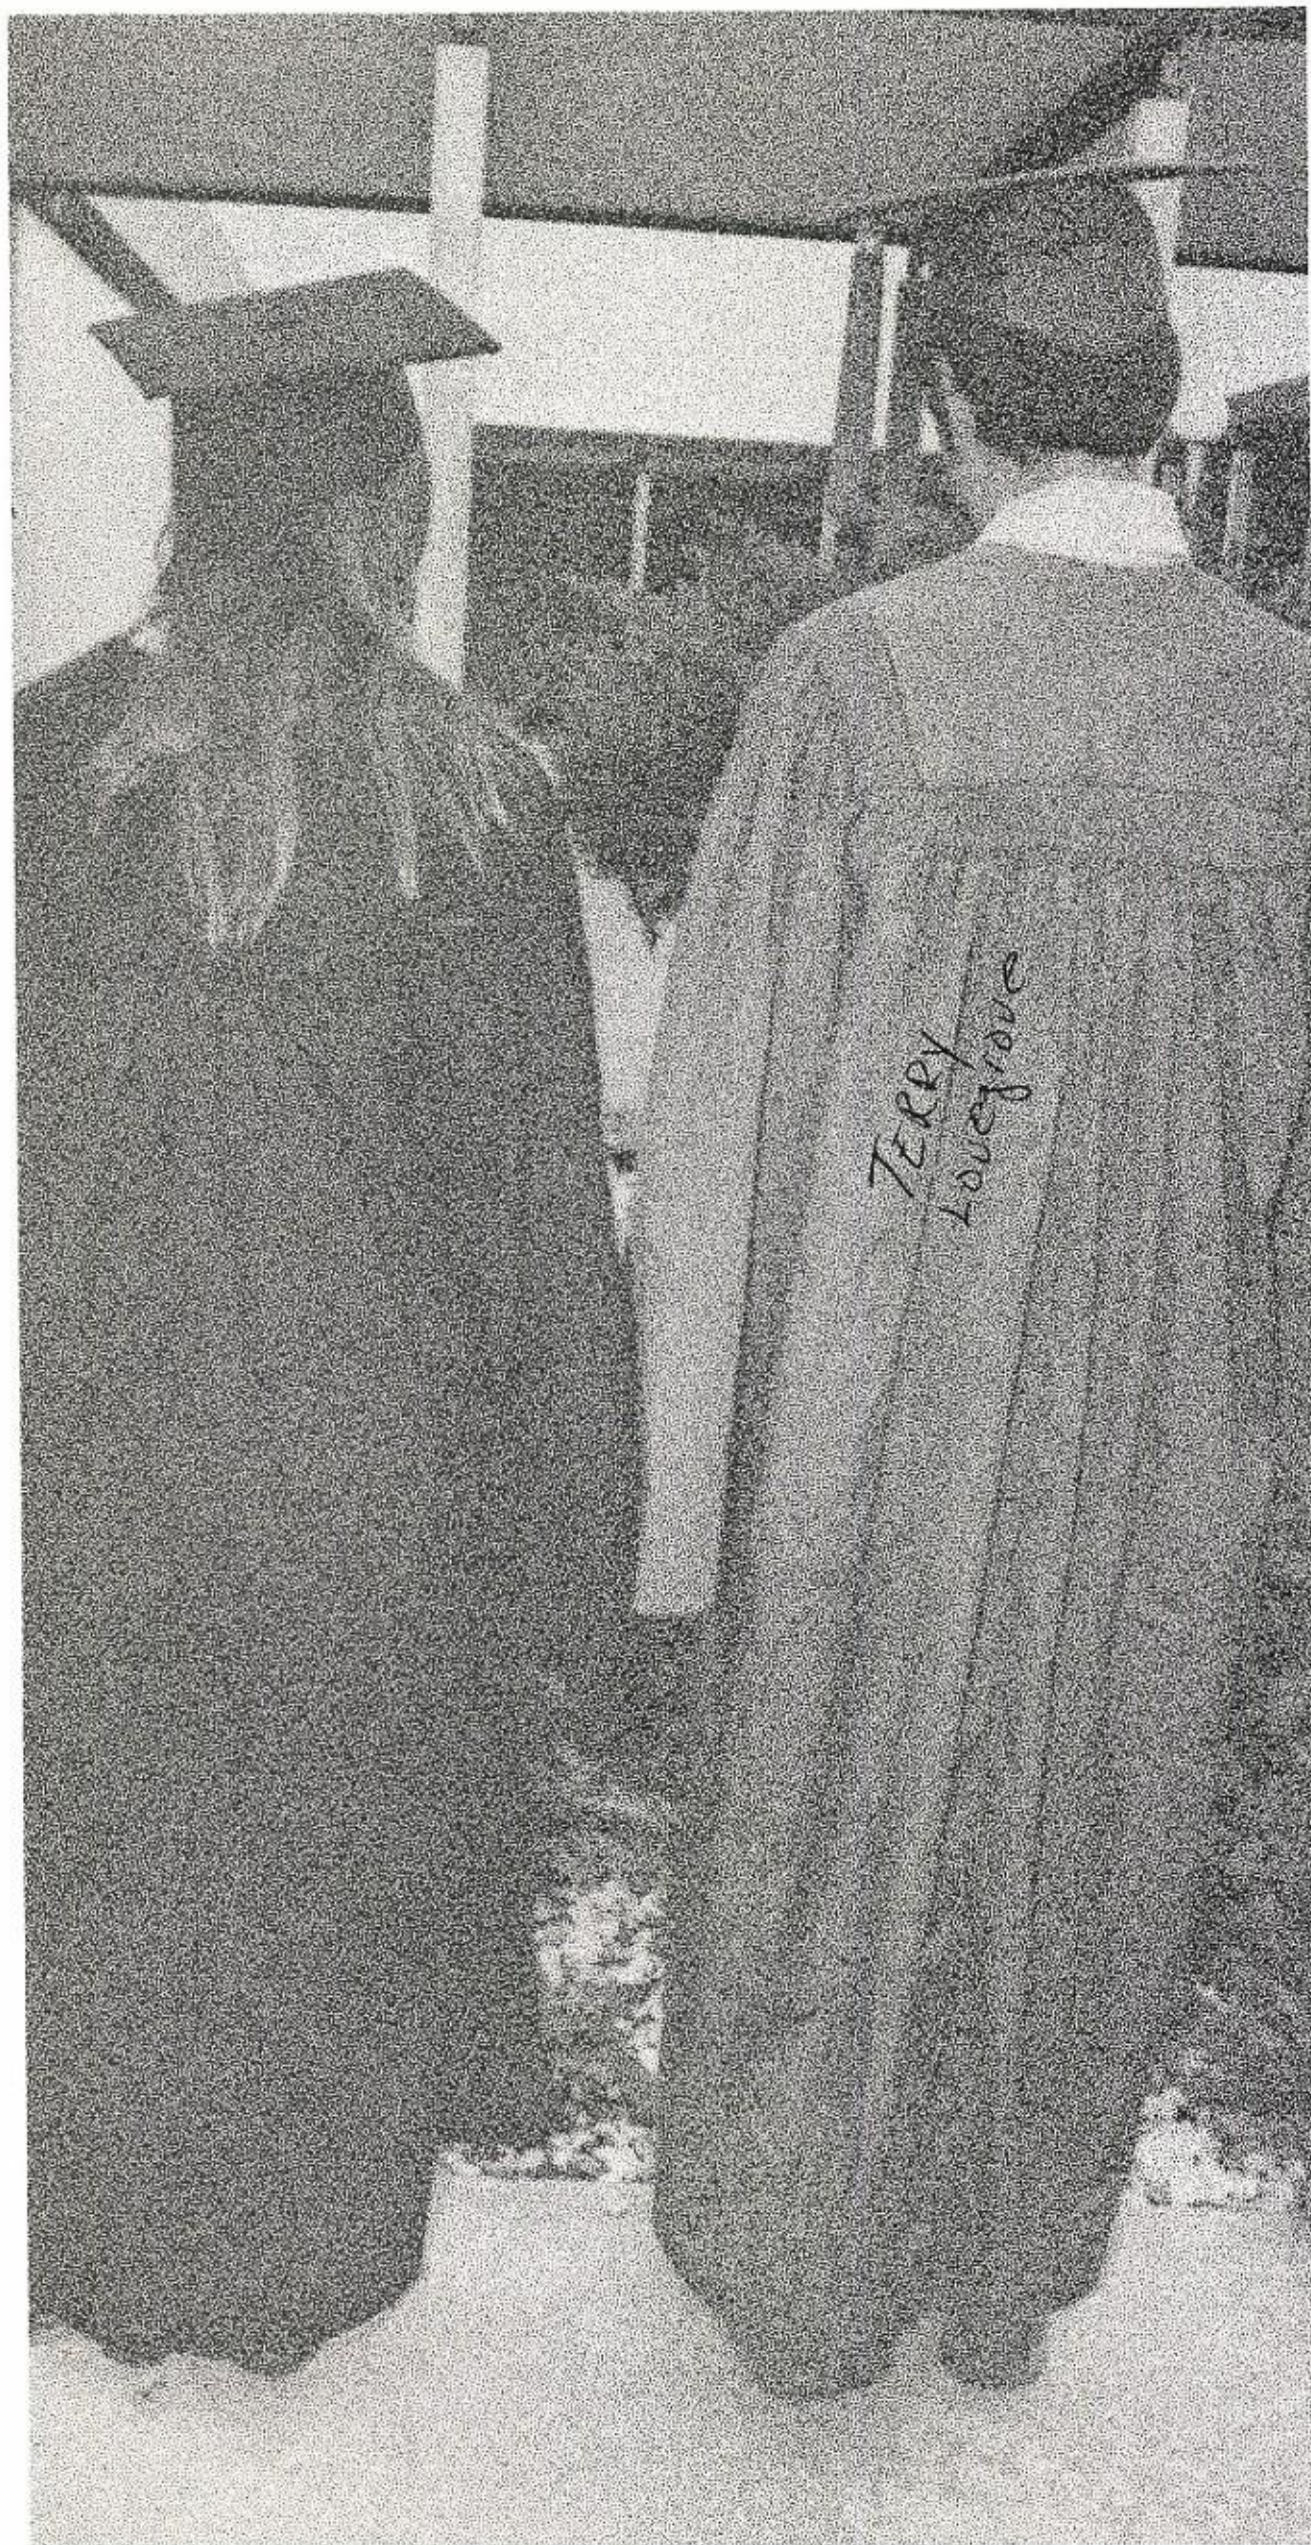

Fleeting feelings, lingering longings, wind-chilled cheers.

All of these are part of the emotional experience known as membership in the Van Buren High School student body.

Throughout this book we recapture the emotions, and attempt to relive our fleeting high school years. Even things we once remembered with regret are now recalled with fondness. There were actions that seemed too unimportant at the time; Now they stand out in our reflecting minds. There were times of happiness, sadness, worry, and excitement. These actions and emotions have made a world of difference in our lives.

Seniors of '73 reveal power

Constant action and diversified events mark the characteristics of a Vashon Buren High School senior.

Major happenings occur every day of the year—from studying for the first English test to practicing for graduation ceremonies.

Special friendships, hilarious discussions, and frantic studying, and the seemingly endless cycle of school days. Yet seniors met the challenge of a demanding year. Few asked for special treatment. One senior summed up the year in these words: "We did it . . . Our Way."

Mr. Tate, Board direct construction

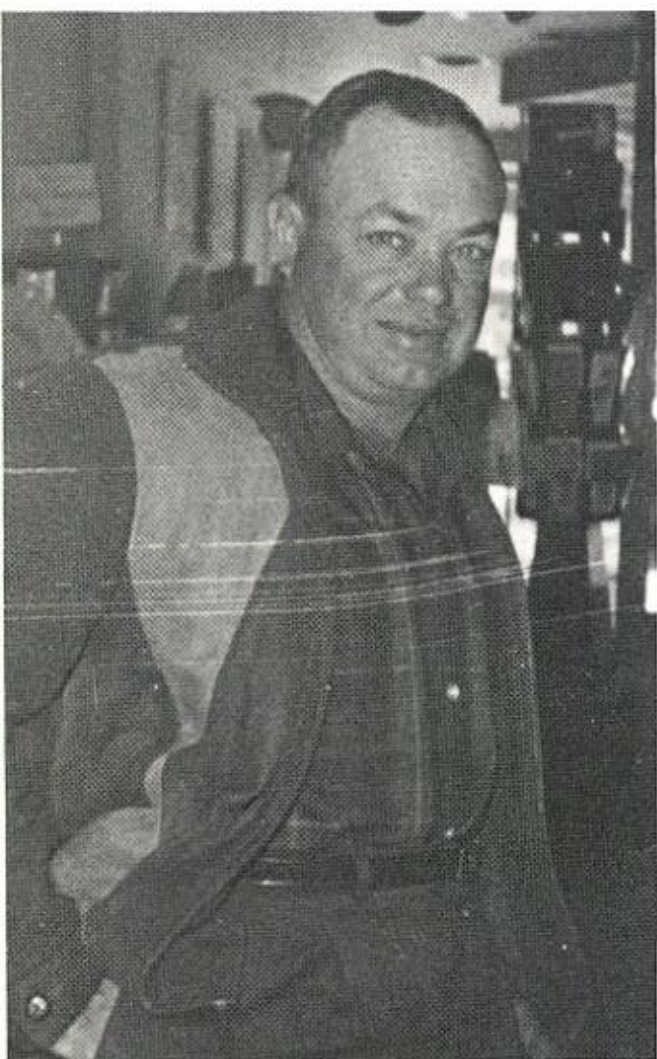

THE SCHOOL BOARD includes (left to right): Otis Arnold, Robert Marion, Dr. Louis Peer, Gene Neidecker, Bob Vandergriff, Dr. M. J. Graham, Gene Bell, and Dewel R. Basham.

A busy schedule is kept by members of the School Board and its executive officer, Mr. James Tate, Superintendent of Van Buren public schools.

All legal authority for the operation and management of the school program is vested by law in the Board of Education. The Board of Education functions as a policy-making, legislative, and appraisal body.

They meet the second Tuesday of each month to discuss the problems that arise during the year. Some of the problems confronting them are dress code, the hiring of instructors, and when and how to spend the money to the benefit of all schools. This year the board is supervising the building of the new junior high plus additions to two elementary schools.

A saddening note this year was the death of long-time School Board member Leonard Kibler.

In Tribute

School trustee Leonard Kibler served taxpayers and students well during his many years on the Van Buren School Board. His death this school year was a sad loss for the community, but his accomplishments in our school system will live on.

commitment

MR. James Tate meditates upon the problems that confront him daily in his position as superintendent of Van Buren Schools.

School officials work together

Mr. Bill Mitchell fills the role of Van Buren High School principal, with Coach Rex Yerby as his assistant.

Together they see that the cycle of high school days runs smoothly. Each day, students and teachers go to them with the everyday problems that arise—schedule changes, absentees, and even disciplinary action.

Mr. Mitchell, keenly aware of problems facing a modern school, attempts to counsel the students and see that they receive the best education possible.

Aside from being athletic director, Assistant Principal Rex Yerby aids Mr. Mitchell in student affairs.

By working together, Mr. Mitchell and Mr. Yerby solve the challenges of Van Buren High School.

COACH REX Yerby, assistant principal, checks the mail with Mr. Mitchell and Mrs. Henley.

MR. REX Yerby serves as assistant principal and athletic director for the school system.

PRINCIPAL BILL Mitchell takes time out from his busy schedule to handle school financial affairs.

Student counselors direct many tests, conferences, learning plans, and skills

Mr. Walter Rockwell and Mrs. Patricia Webb spend most of their day meeting with students to discuss problems that may rise during the year.

Mrs. Webb divides her time between the senior class and junior high. She has helped students with ACT and scholar-

ship applications, and career plans.

Mr. Rockwell's duties include involving the junior and sophomores activities around their possible career choices. He is also active as Student Council sponsor.

GUIDANCE COUNSELORS: Mr. Walter Rockwell and Mrs. Pat Webb.

MR. WALTER Rockwell discusses the Armed Forces Aptitude Test with Army recruiting officer, Sergeant Thomas Boyle.

MRS. PAT Webb takes time out from an active schedule to cheerfully reassure seniors about to apply for their college ACT test.

COUNSELOR PAT Webb finds that her excellent sense of humor helps in dealing with the often serious problems of Van Buren High School students. Besides coping with her position at high school, Mrs. Webb counsels Junior High students, also.

Secretaries live demanding lives

Certain duties such as answering a multitude of telephone calls, handling and selling school supplies, and preparing and alphabetizing enrollment cards are just an everyday routine for Mrs. Rheba Henley.

She is the secretary to the principal, Mr. Bill Mitchell, and assistant principal, Mr. Rex Yerby.

"Every year there seems to be more to do," said Mrs. Henley. "But, really it's a lot of fun."

Other various jobs include keeping the attendance records and sending monthly reports on time to the State Department of Education.

Assisting Mr. James Tate, superintendent, is Mrs. Martha Howell, who serves as treasurer of the school district.

Making out the monthly payroll is one of the main duties for Mrs. Howell.

Typing reports, handling applications for teachers, and ordering free text books for elementary and Junior high students is the important role played by Mrs. Howell in the operation of the school system.

Mrs. Howell is also directly involved with the students of Van Buren High School. She has given helpful advice to many of them. She always accompanies the students on the Six Flag trip. Mrs. Howell is a very involved secretary. She is assisted by students who help in the office during their study period in the day.

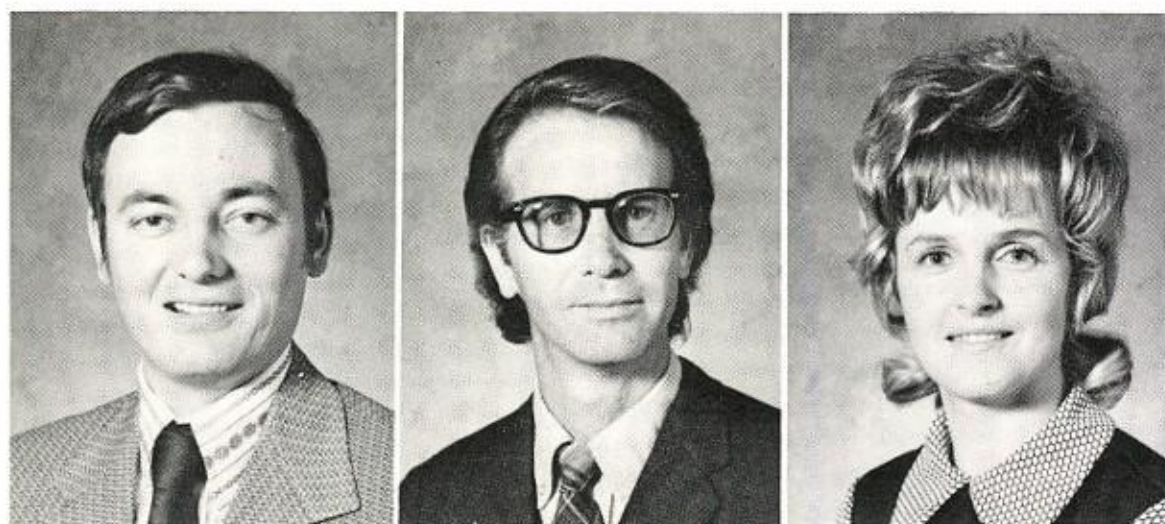

MRS. HOWELL, in her position as secretary to Superintendent James Tate, handles many important duties. In addition to her important activities, she also has a strong interest in the Van Buren High School student body.

MRS. RHEBA Henley performs one of her many duties as secretary to Mr. Bill Mitchell, principal.

Effective communication is goal in English, speech, journalism class work here

From the very first moment of Julius Caesar to the last page of a review of the verbal, English plays an important role.

Making certain her classes have a maximum of knowledge in senior English grammar and literature, Mrs. Grace Barlow teaches a large part of the graduating class of VBHS. Sophomore students are initiated into their high school English years of Mrs. Linda May and Mr. John Rotert.

In addition to sophomore English classes, Mrs. May also instructs junior and senior students in the art of speech.

Mr. Rotert finds time to carefully tutor a senior class in business English while also teaching large classes of sophomores.

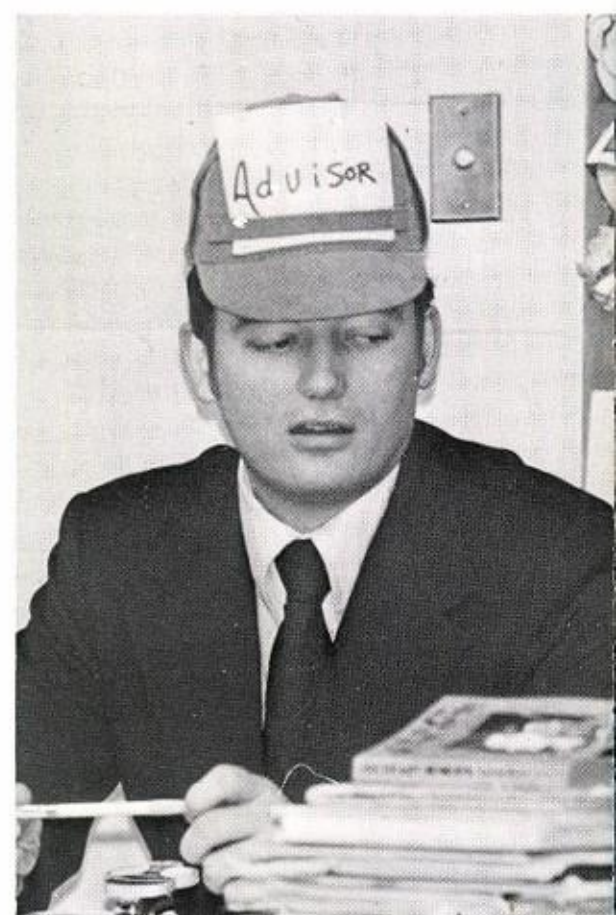

Junior English students are instructed by Mr. James Faught and Mr. Bill Pharis.

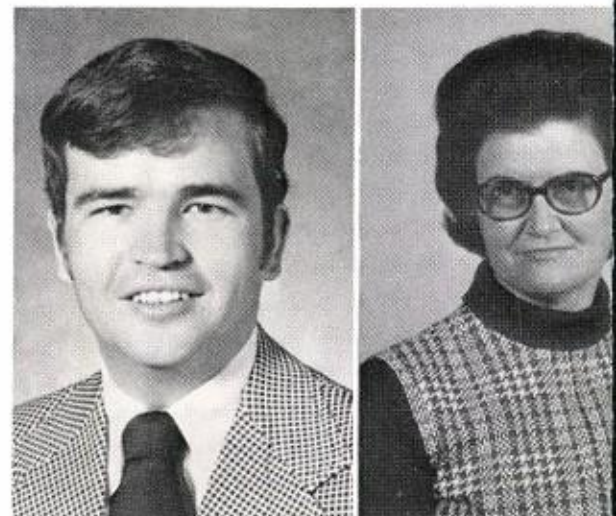

MRS. LINDA MAY appears pleased to hear that all of her speech students are prepared for extemporaneous talks.

Instructing in the field of social studies are Miss Wilda Reeves, Mr. Gordon Yearty, Mr. Don Martin, and Mr. Tony McDaniel.

Besides just learning events of our younger world, the students of VBHS learn items of the present, and near future, such as the World Affairs classes do.

History stirs the thoughts, emotions, and feelings of pride in one's forefathers. History is important to the education of every student.

Science courses explore 'unknown'

The science department plays a vital role in educating the students at Van Buren High School, encouraging them to explore the unknown.

Mr. James Colvard, the newest member of the science faculty, instructs students in biology and chemistry. He encourages his students to form conclusions by independent laboratory study.

Mr. Jerry Duncan, known well for his extraordinary wit and humor, makes his biology classes interesting as well as educational.

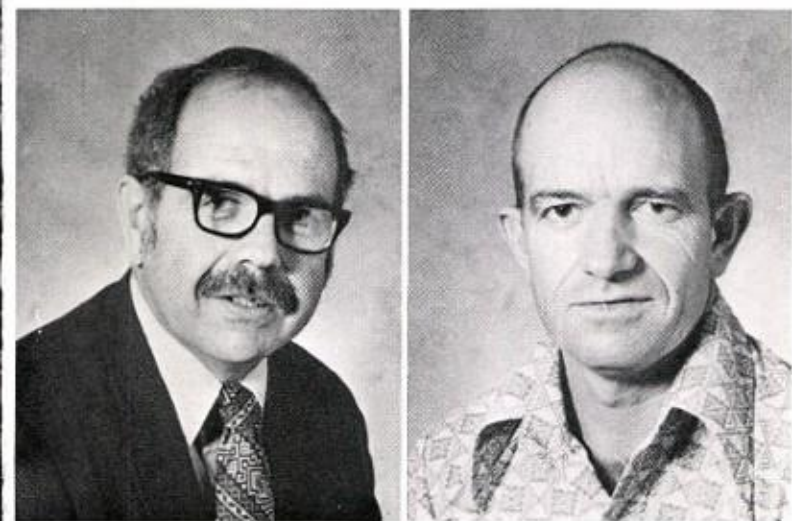

Courses in physics, Algebra II, and senior math are instructed by Mr. Ralph Hughes. Often he guides students toward math or science majors in college.

BEFORE RESUMING CLASSES, a short course in floor mopping was administered to biology students. The problem, a blown water faucet, was, however, quickly solved and studies were once again in session.

MR. JAMES Colvard uses gestures to show his interest in the subject he is discussing. His enthusiasm adds excitement to his classes.

Mathematics courses help VB students

Numbers are compiled and figured and new discoveries made in each math class taught by three experienced teachers.

Mrs. Betty Whedbee, Mr. Ralph Hughes, and Mr. Henry Chotard teach their classes with the latest mathematical techniques.

While also instructing classes in math, Mr. Chotard teaches French to Van Buren High School students. In addition, he sponsors a French club.

Classes in mathematics include general math, algebra, geometry, and senior math. These courses help to prepare students for the annual National Math Test, as well as use of mathematics in later life.

MR. RALPH Hughes delves into the mysteries of mathematics. As he does so, he contributes possible solutions to the problem at question.

MRS. WHEDBEE concentrates attentively on insurance advice at a faculty meeting. In her second year at Van Buren High School, Mrs. Whedbee teaches general math and geometry.

Business programs offer important career study

Business education plays a very important role in the lives of Van Buren High School students.

Many bookkeepers and secretaries who are VBHS graduates owe their training to Miss Donna Smith and Mrs. Joan Harper, business education instructors.

Miss Smith, while teaching her many students the intricacies of bookkeeping, typing and shorthand, sponsors the National Honor Society Chapter.

Also helping students to prepare for careers is Mrs. Joan Harper. To the students who have never operated the typewriters or adding machines, Mrs. Harper can be of great assistance.

*Best wishes

DE, Home Ec teach values

Distributive Education is a course which directly affects the future of a student here at VBHS. This course teaches a student the direct responsibility of being on his or her own.

DE instructor, Mr. Art Bundy, feels that keeping a job plus keeping grades high are the most important goals of DE.

Home economics is a course which teaches a student the basic needs and responsibilities of running a home. This year Mrs. Hazel Rogers teaches Home Ec. I and II as well as Home and Family Living. This is her first year at VBHS and Mrs. Rogers has been very active in her duties.

MR. ART BUNDY, DECA sponsor, explains job reports to Randy Hyatt while Richard Perryman listens intently. This is one of DECA's most active years.

HEAD BASKETBALL Coach Joe Bagwell runs some interested athletes through some demanding paces.

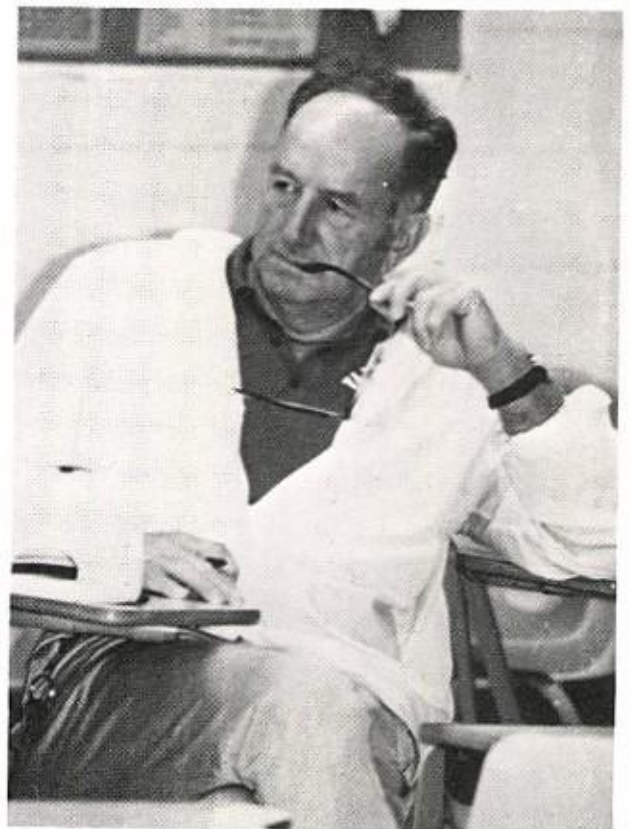

MRS. JERI Smith oversees a spirited game of volleyball. She also sponsors the cheerleaders and pep squad.

Physical Education courses help to develop the body and the mind. Mrs. Jeri Smith and Mr. Joe Bagwell, physical education instructors, work with students to increase enthusiasm in physical activities.

Mrs. Smith is also the sponsor of Pep Squad and the Pointer Cheerleaders. Coach Bagwell guides the Pointer basketball team.

Coach Clair Bates has another duty besides the football and basketball teams. He is the brave driver's education instructor.

ROTC boasts big enrollment

This year, Sgt. Elzy Ramsey and Col. Gordon McQuain coordinate the largest ROTC program in the history of Van Buren. Close to a hundred students participate in this program, making the program highly successful.

Besides the aspect of the marching, drilling, and all around work, a social side to military life was presented with a Military ball December 16.

Many varied activities filled out the year.

Study hall, library help ease 'tensions'

STUDY HALL: Mrs. Emma Posey.
LIBRARIAN: Mrs. Elsie Greig.

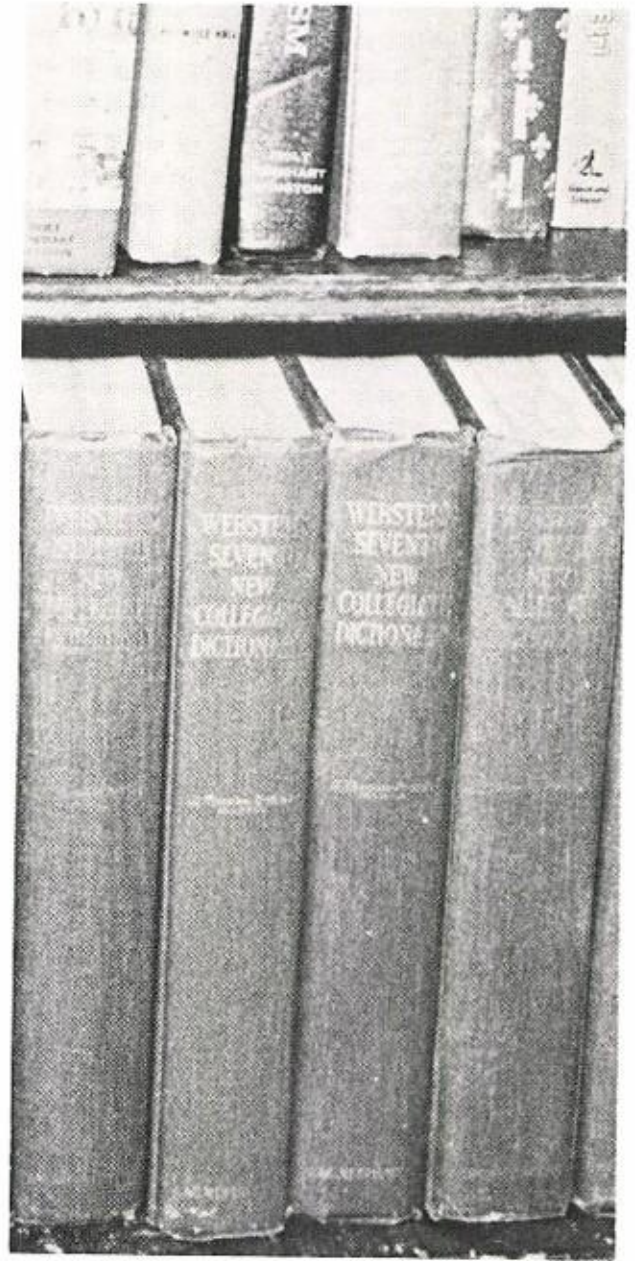

Good grades are sometimes the product of quiet concentration which, more often than not, takes place in study hall.

Mrs. Emma Posey, Mr. Dale Kesner, and Mr. Henry Chotard are there to aid and direct students in their work.

The library is divided by just a thin line between fantasy and reality or fiction and nonfiction.

Students enter into this spacious, private dream world and for just about an hour's time, they can get away from the rush of school activities and relax. The priceless books in the library hold generations of life ranging from the conquests and valiant efforts of Julius Caesar to the greatest love stories of our time.

Mrs. Elsie Greig supervises the library and helps students to find books and research material.

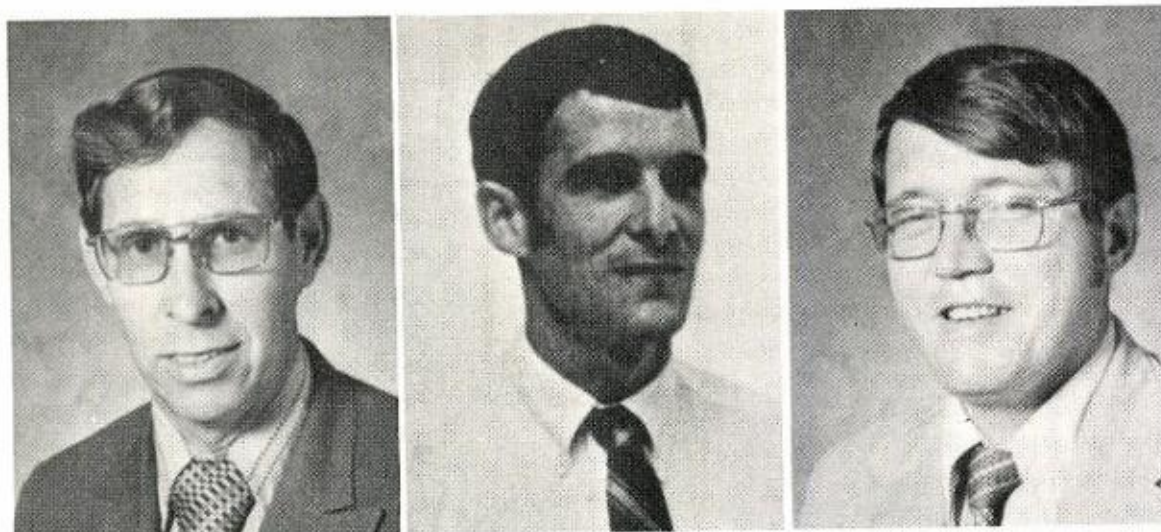

THE GOALS OF the study hall and library are generally the same: to provide a place for study in which the tools of knowledge are available.

LIBRARIAN ELSIE Greig must keep track of thousands of books, magazines, and pamphlets, as well as keep tabs on audio-visual equipment.

MRS. POSEY leads the student body in a cheer during a pep assembly while football players watch.

MUSIC, MUSIC THEORY: Mr. Dale Kesner. BAND: Mr. Michael Kolb. ART: Mr. Martin Greer.

Music, Band, Art, host busy year; Sponsor Cantata, Concerts, Floats, Festivals

Practice, hard work, performances and more hard work all characterize the Music, Band, and Art departments.

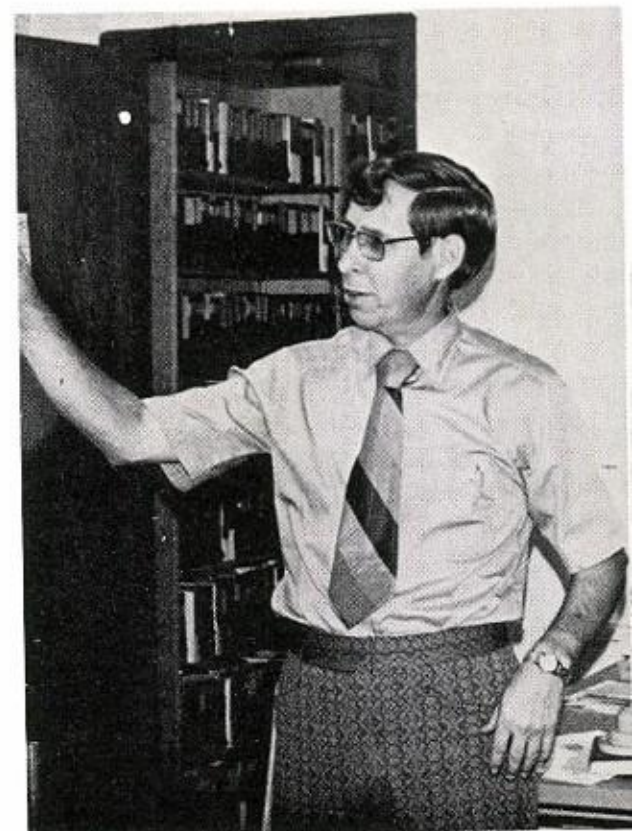

Christmas cantatas were worked on most of the first semester in the Music department which was headed by Mr. Dale Kesner along with numerous concerts, participating in region festivals, and sponsoring the annual "Season Vibrations."

Mr. Kolb has kept the band busy marching and practicing most of the year as they performed during halftimes, pep rallies, and concerts.

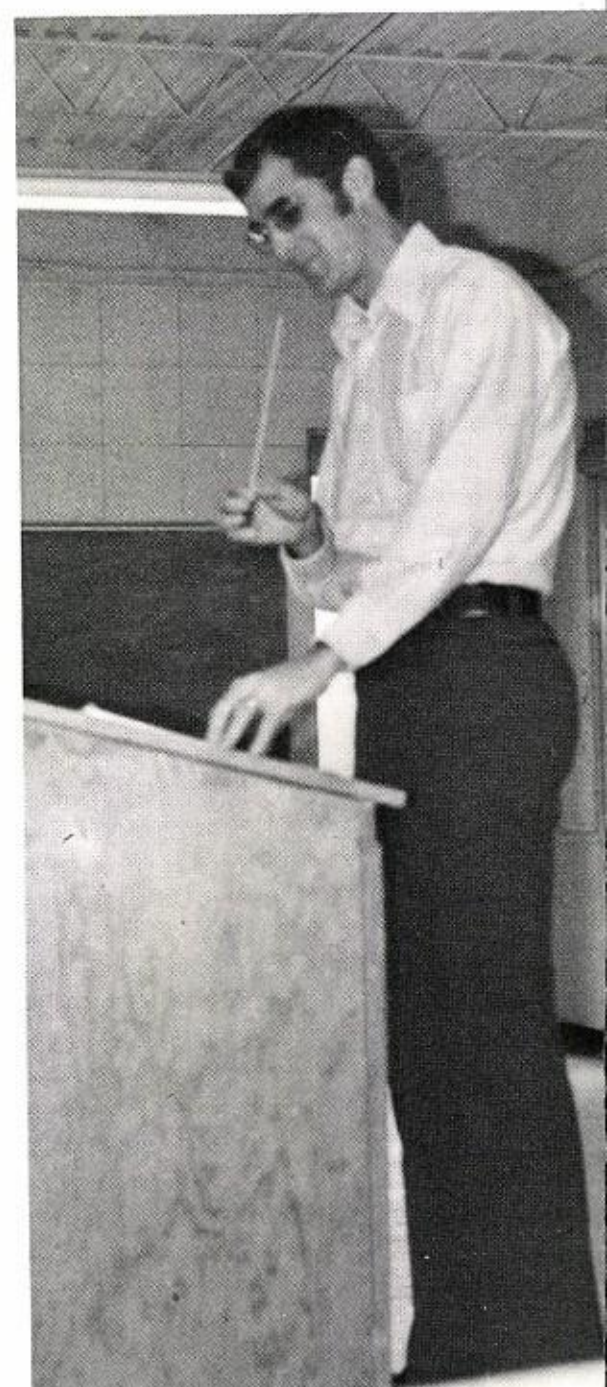

The float entered in the Ft. Smith Christmas parade is one of the highlights of the Art department, headed by Martin Greer, but just one of the many projects accomplished throughout the year. Students are also kept busy with molding, sculpturing, and painting.

MR. MARTIN Greer helps guide his art department through a number of major projects: including an entry in the annual Christmas parades, a cartoon movie, a puppet show, and art exhibits.

GIVING DIRECTIONS from a distance is Mr. Dale Kesner, head of Choral Music.

MR. MICHAEL Kolb leads the Pointer band a rendition of a Sousa march.

Students' day eased by helpful staff

To make high school life pleasurable, the custodians, bus drivers, and cafeteria workers spend their day making school days more colorful.

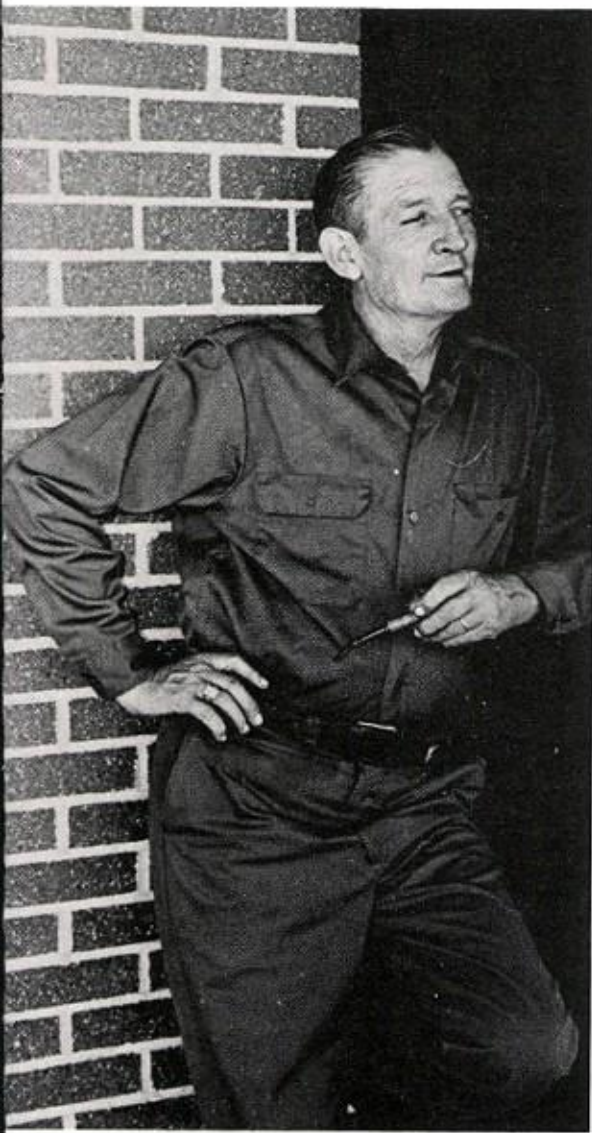

Piping hot meals are essential to the student and are served daily by the cafeteria staff. They provide the food which is selected from a well-balanced diet.

For those students who have no transportation, the bus drivers play an important role. The safety of many students rests in the competence of careful drivers.

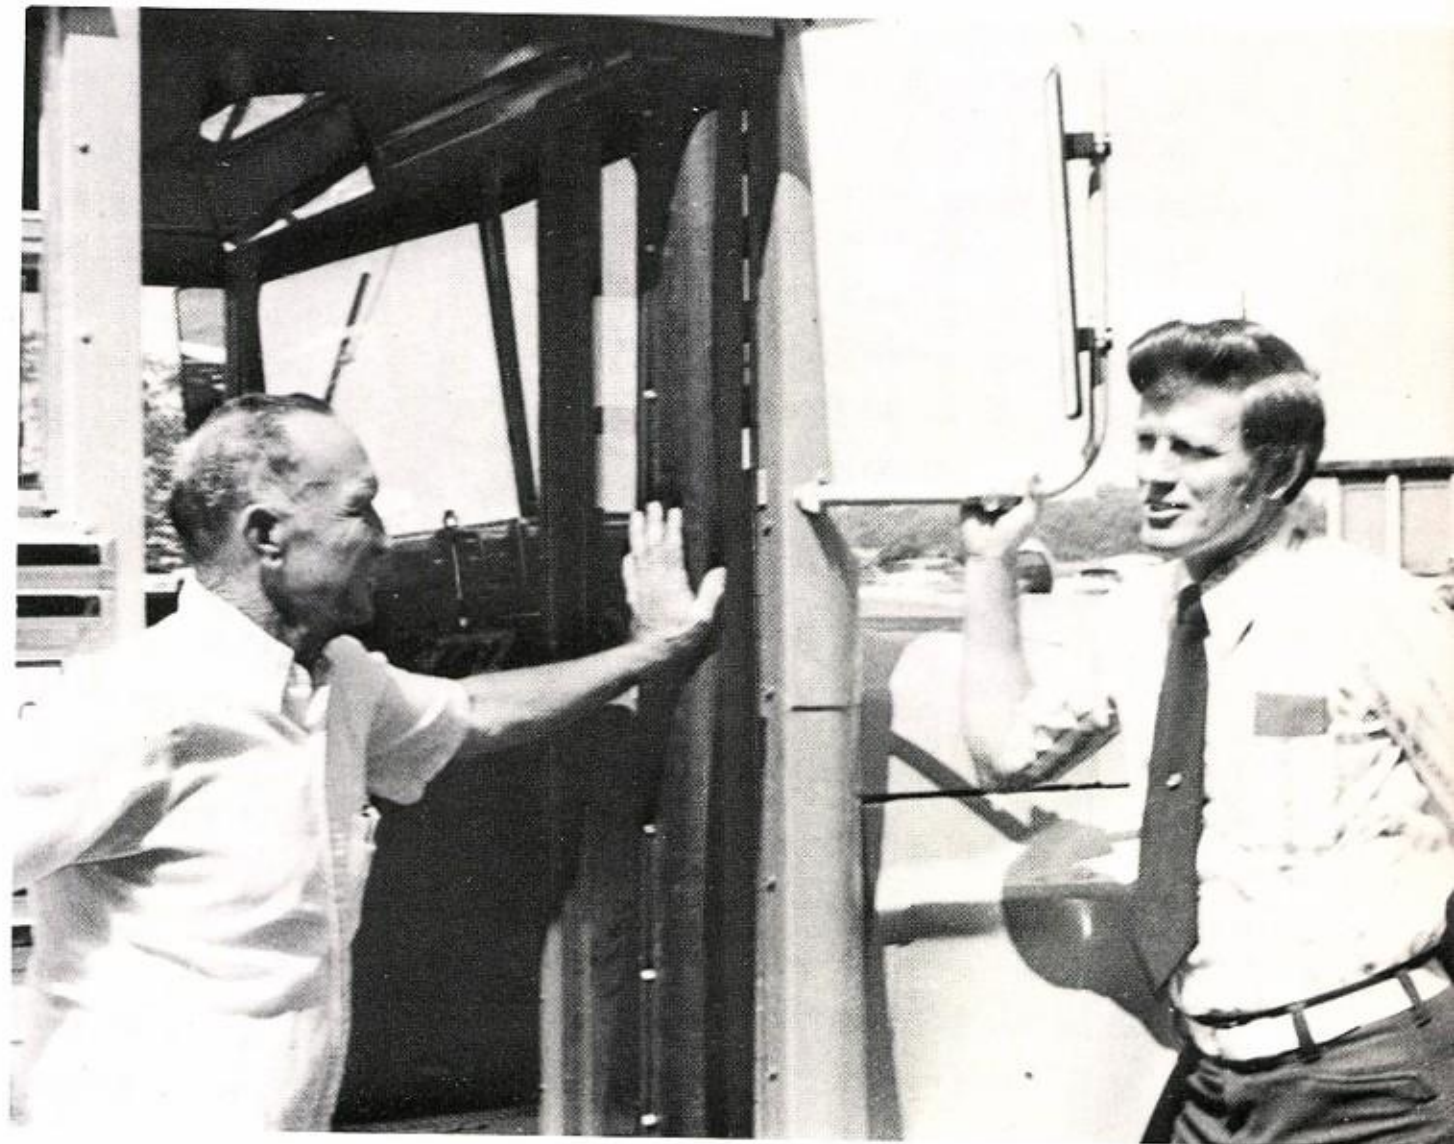

Equally as important are the jobs performed by the custodians. They provide the work that is done to have a neater and cleaner school.

CAFETERIA WORKERS provide nutritious meals each school day.

MR. ACE Herndon, custodian, enjoys a break during his long day of cleaning the VBHS campus as he waits for custodian Bob Evens to finish in a nearby room.

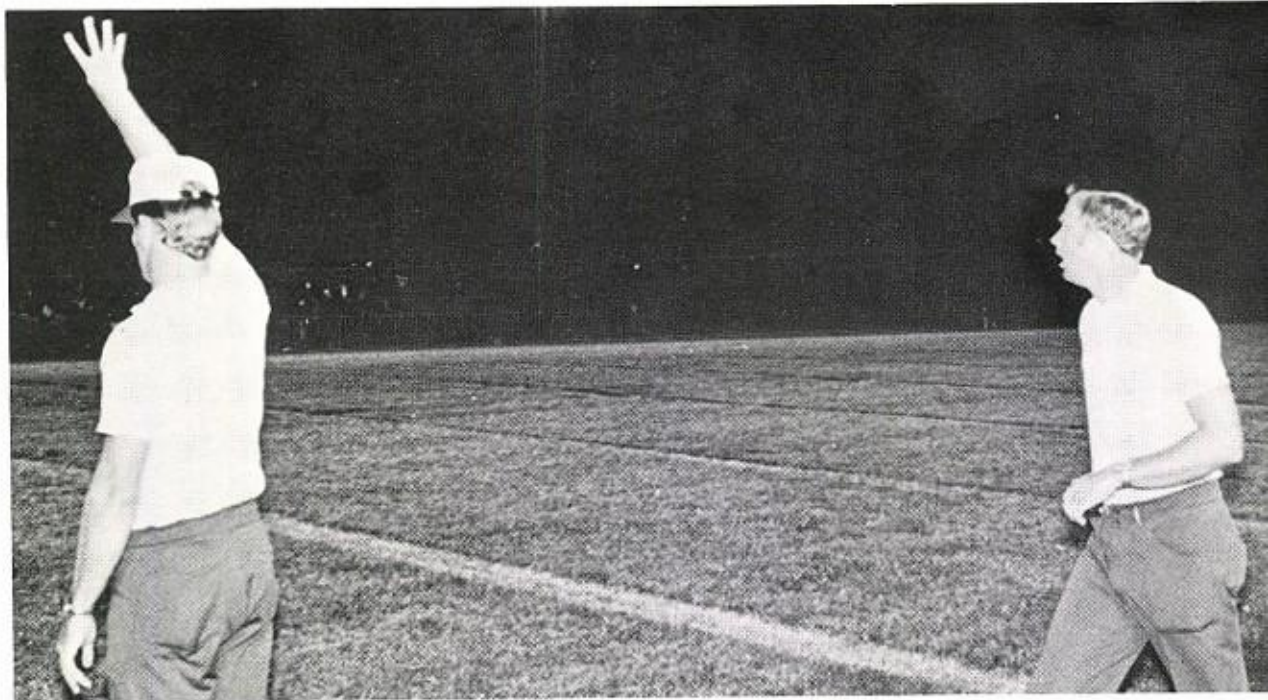

T. J. McILVAIN, bus driver, and Mr. Bill Mitchell, principal, discuss the problems of the day while waiting for an onrush of students for a trip home.

Teachers . . .

Serving as a teacher is not an easy task; it requires strength, stamina and yet, understanding and hope.

Students seek answers to many questions. A teacher is expected to know and thus help others to know . . . What greater responsibility?

Coaches Joe Bagwell and Gary Deffenbaugh exhibit Pointer spirit.

Taking part means much to students at VBHS as they listen intently during a Home Economics class. Studying is not always easy to do, but with sympathetic and interested teachers a year can go a lot faster.

THE SOUND of music rings out from the music room as another day of melody brings light and joy to VBHS.

STUDENTS JOIN together to test a student-written alma mater and exhibit their own special creativity.

Work key word in music department

SOPHOMORE MUSIC students discuss what strategy they will use when trying to persuade prospective customers to buy their Christmas records. They are Paula Farrar, Julie Minor, Jeanette Perry, and Selma Ferguson.

From the day school started to the final event of the year, the key word in Mr. Dale Kesner's music classes has been work.

Fund raising projects were the first items on the agenda for the year. This money would be used for the trip to Hot Springs to attend the State Music Festival. Money was also needed for music, records, and other items needed to operate a music department.

The first project, the annual talent show, Season Vibrations, this year boasted an excellent show, a good turnout, and a thoroughly pleased audience. Talent was displayed by high school students and Ed Hopkins of KISR performed the duties of M.C.

The sale of records containing Christmas music added a new twist to money-making drives around campus. Students canvased local homes as well as setting up displays in various businesses in town.

Ensembles play important roles

Ensembles have always been an important part of the Music Department and this year there have been three such groups performing for various school and community programs.

The Mixed Ensemble is made up of fifteen singers selected by tryouts from the Advanced Mixed Chorus.

Musical "Bubble Trouble" is presented

In his seventh year at Van Buren, Mr. Dale Kesner this year found himself directing three complete choruses.

The Advanced Mixed Chorus, chiefly comprised of seniors, has this year contained fifty voices with George Mann accompanying the group.

The seventy-voice Junior Mixed Chorus is in its second year together as an entire group. Karen Moon is the pianist.

Sophomore girls have once again come together in song to form their 43 voice choir. Paula Wilhoite has provided the group with piano music.

The first performance for these three groups was the annual Christmas concert. Then came an all new "pop" concert performed in January. Following these, all three groups joined together to present a musical, "Bubble Trouble." Then came the competitive festivals and finally the final concert presented in the spring.

Year; wins honor in marching, concerts

Seasonal activities set a busy pace for the Pointer Band and director, Mr. Michael Kolb.

Summer band camp had a record attendance of fifteen musicians from Van Buren, including drum major and majorettes.

Twirlers this year were Sherry Beckham, captain, Pam Tankersley, Sandy LaRue, Lyn Loyd, Dee Richmond and Sheryl Servold. Drum major was Ralph Hughes.

Pre-school rehearsals were a necessity of the band. For five hours each day they marched and rehearsed in preparation for halftime performances.

In addition they attended marching contests at the University of Arkansas and Arkansas Tech in October. Both times the Marching Pointers received an excellent rating of II.

The Yuletide season was met by a December 21 concert. Among the numbers played were "A Christmas Festival" by Leroy Anderson and Robert Jager's "Third Suite".

To complete the year of '72, the band marched in the annual Van Buren Christmas Parade.

MAJORETTES DEE Richmond and Lyn Loyd stand at attention as the band performs in concert formation.

The Pointers fight for victory

"Success and failure are the challenges of athletic competition."—

Coach Rex Yerby

Pointers Lose Ground in Alma Game

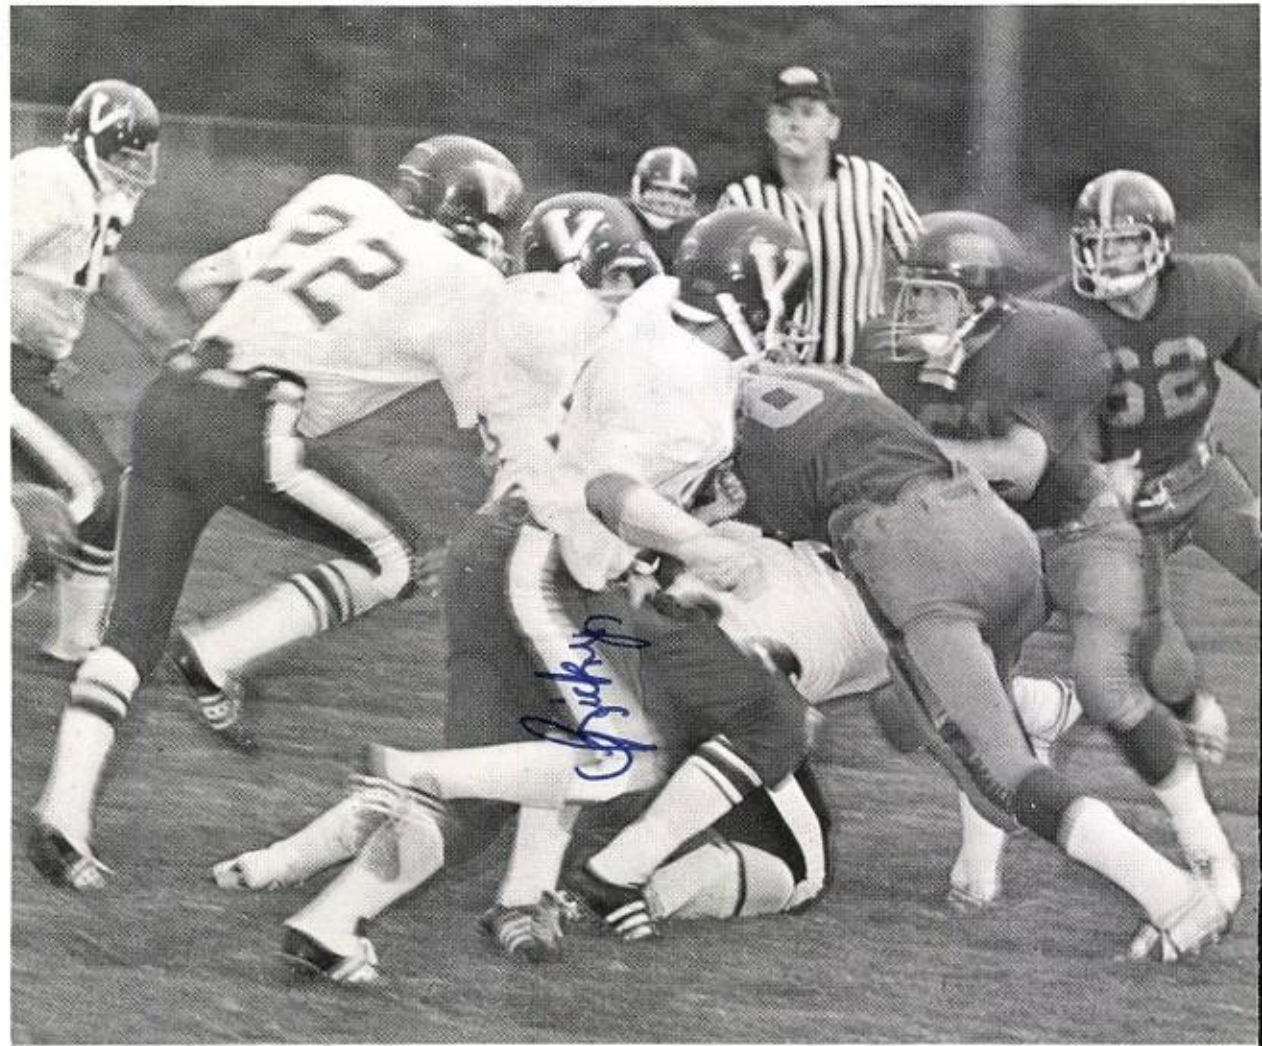

The Pointers met the Alma Airedales to open up the 1972 season but all hopes fell to despair as the Dogs succumbed to Alma 14-0.

Numerous fumbles meant the difference in the contest for the Pointers as they completed several drives into Airedale territory, but could never push over a score. The Dogs penetrated the Alma ten-yard line a total of three times without scoring.

Alma scored on a 39-yard pass from Larry Greenfield to Bob Rich in the second quarter and on a 19-yard scamper by Thell Parker.

Mark Hatfield, Ronnie Watkins, and Bob Rayburn were Pointer standouts offensively while Mike Considine, Jeff Brooks, and Daniel Franklin provided the defensive effort for the Dogs.

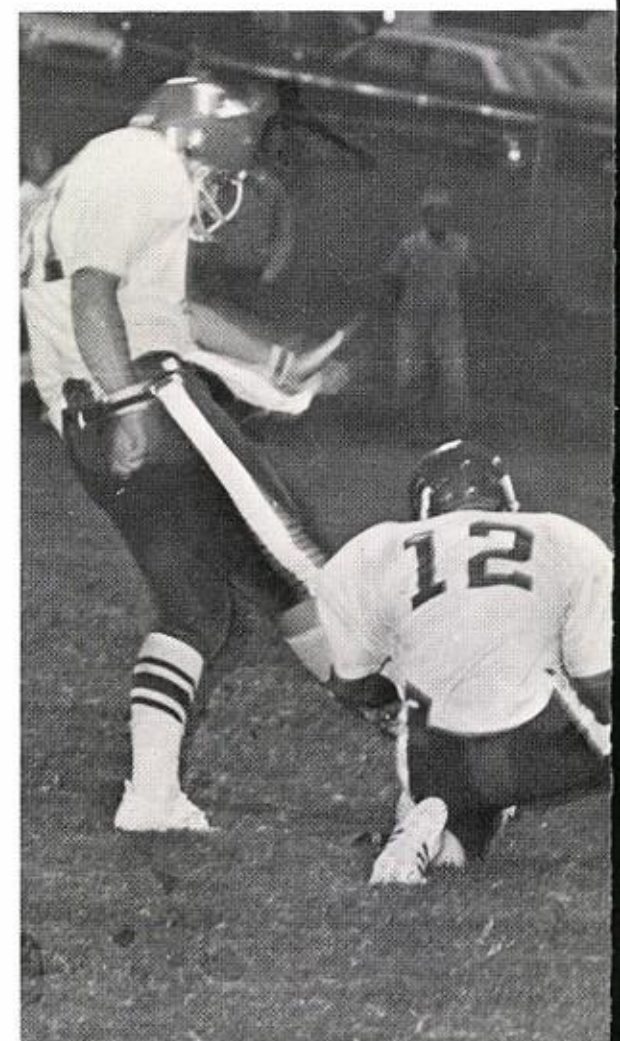

Head coach Rex Yerby said he was well pleased with the exception of the turnovers.

RONNIE WATKINS rambles for a good gain against the Alma Airedales in the Birddogs' season opener. The Dogs lost the 2-AA clash, 14-0.

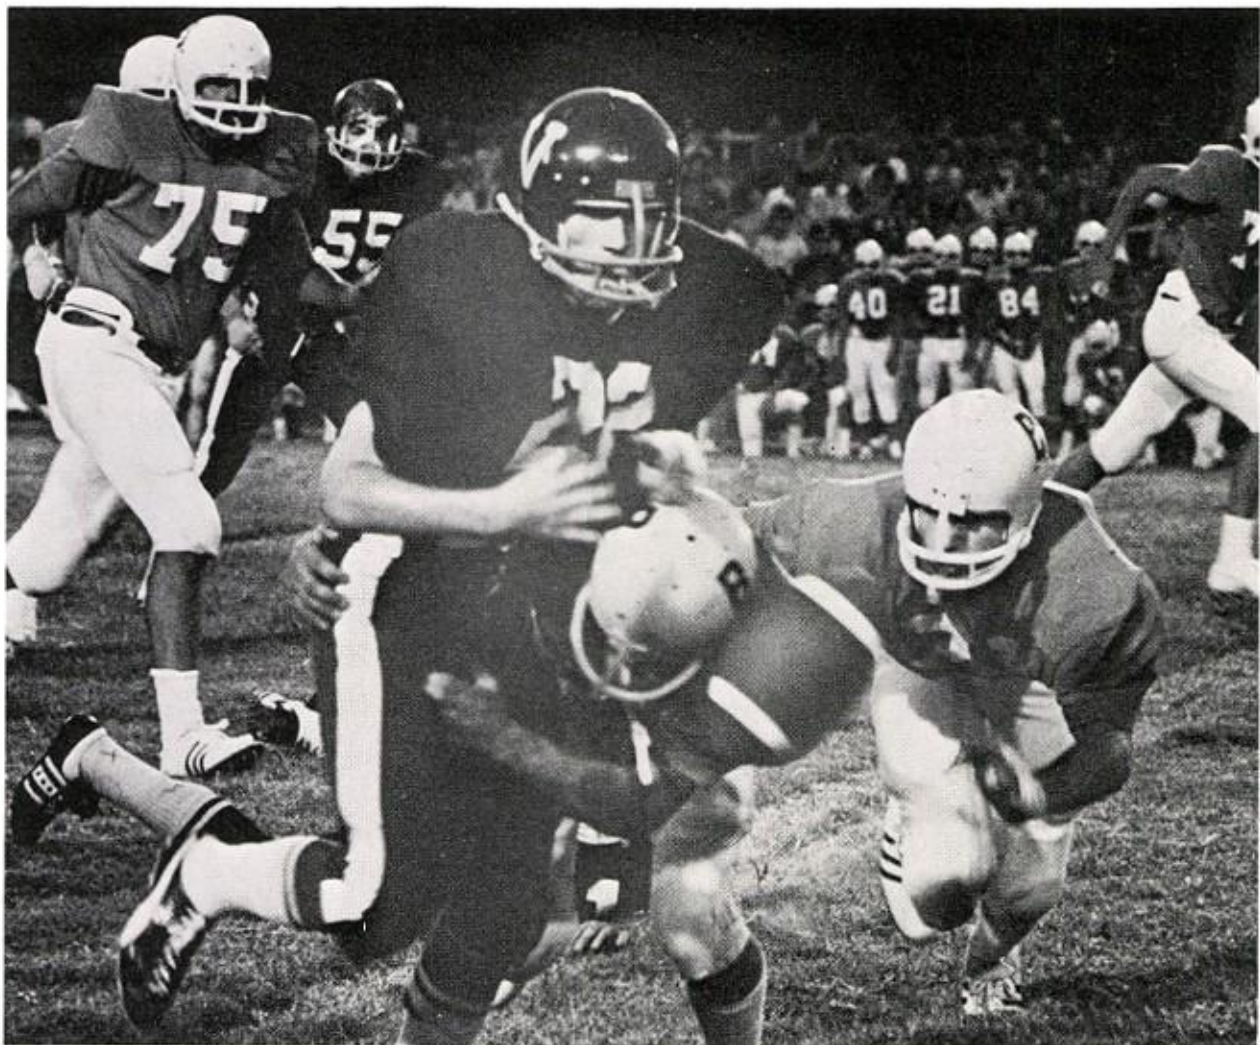

QUARTERBACK MARK Hatfield (12) prepares to sweep around the left end behind the blocking of Jeff Brooks (64) and the rest of the Pointer interior line against the Alma Airedales.

BOB RAYBURN attempts a 28-yard field goal against Alma. The attempt was to no avail, however, as the ball flew wide.

TOUCHDOWN BOUND—Phil Perry evades Bearcat defenders and heads for his first TD of the season, a 77-yard kick-off return.

RUNNING BACK Ronnie Watkins takes a hard lick from a Booneville tackler and momentarily loses control of the pigskin.

Birddogs earn win over Booneville

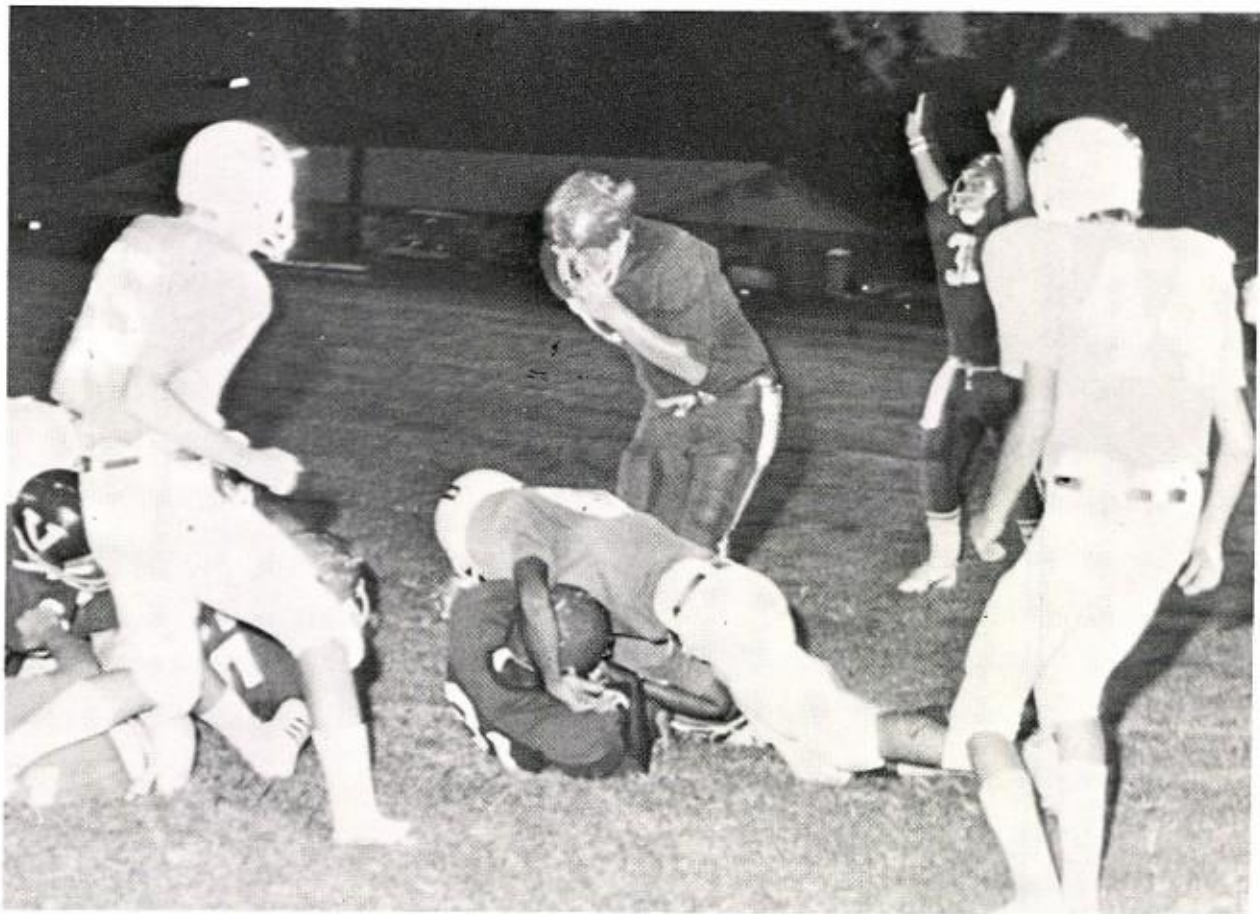

Split end Phil Perry moved to half-back and had his best night of his high school career, scoring two touchdowns and intercepting a pass as the Pointers defeated the Booneville Bearcats 15-0.

The Dog defense forced numerous Bearcat turnovers. One was a safety which occurred when a high snap to the Bearcat punter caused him to retrieve the ball in the end zone where he was tackled by Daniel Franklin.

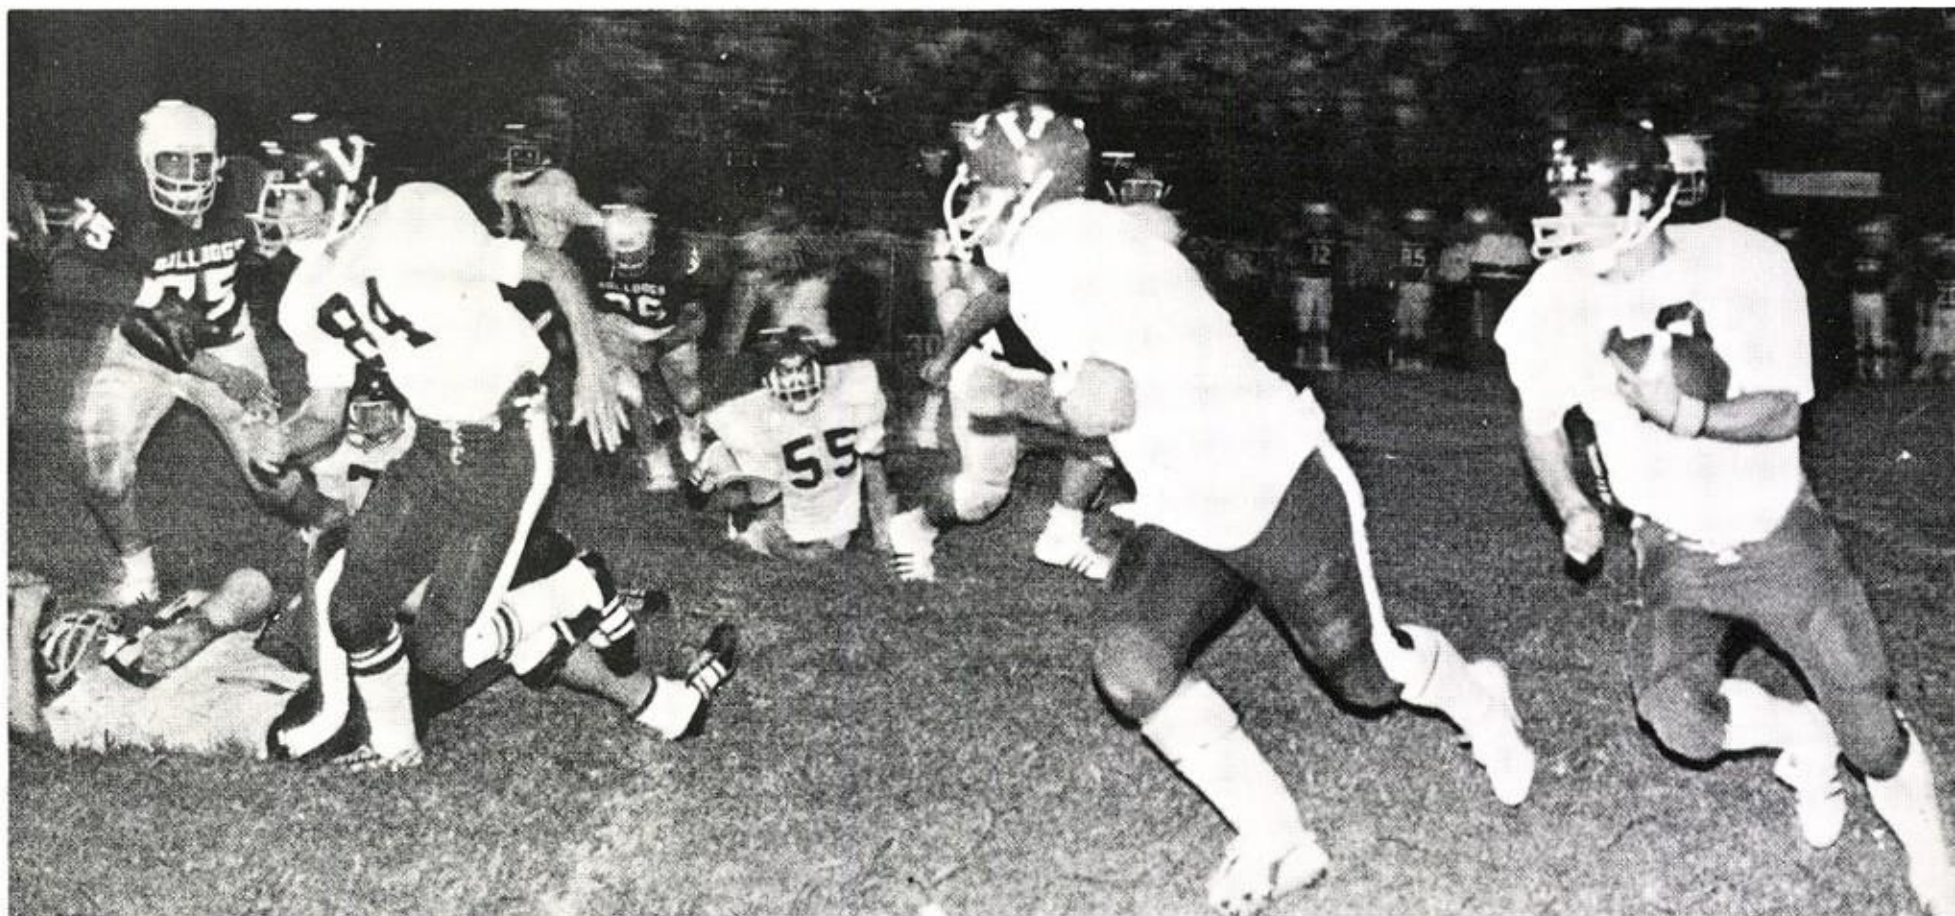

The first touchdown came on the ensuing kickoff when Perry returned the ball 77 yards for the score. Bob Rayburn missed the PAT try to make the score 8-0.

Late in the second quarter the Pointer offense generated a scoring drive due to runs by Roger Kendrick and Perry. Perry went over from the one behind the block of Mike Considine.

In the second half the Bearcat defense stiffened to prevent the Pointers from penetrating the Booneville 20 yard line. Booneville found the going just as tough having two of their scoring threats nullified by interceptions. Defensively the Pointers were led by Jeff Brooks and Randy Miller.

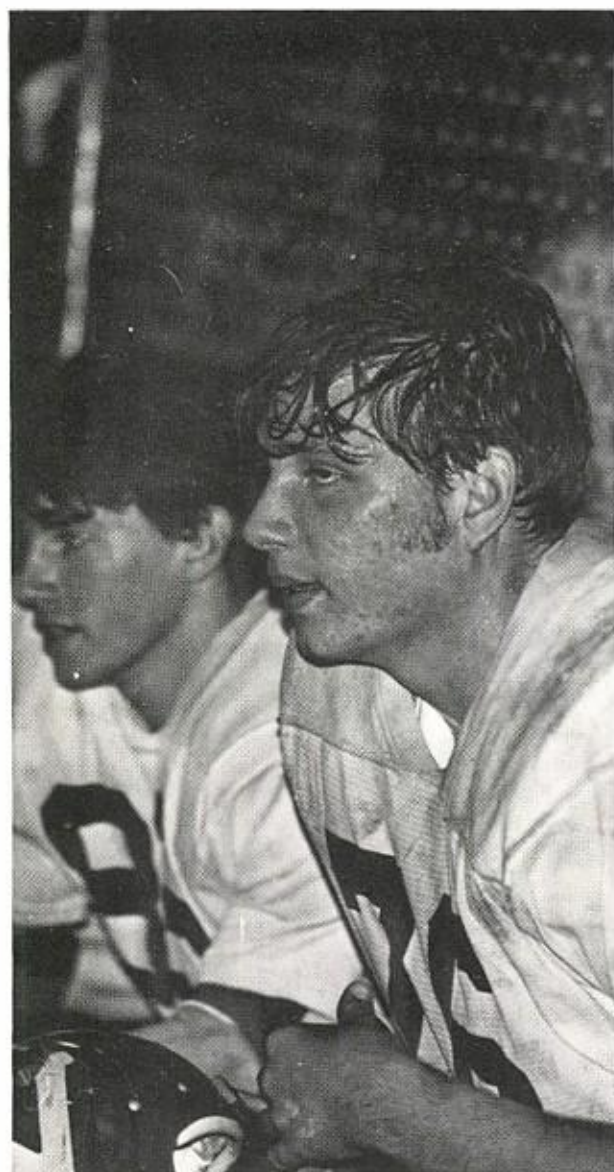

PHIL PERRY powers over from the one yard line for his second touchdown as the Birddogs blanked the Booneville Bearcats, 15-0 for their first win of the season.

WESLEY TURNER and Bob Rayburn lead interference for quarterback Mark Hatfield as he tries for yardage against the Spiro Bulldogs. The Dogs fell to the Bulldogs, 40-6.

Bulldog Bite Proves Harmful to Dogs

SENIOR RICKY McDaniel shows the pain and frustration each of the Pointers faced at battle with the Spiro Bulldogs.

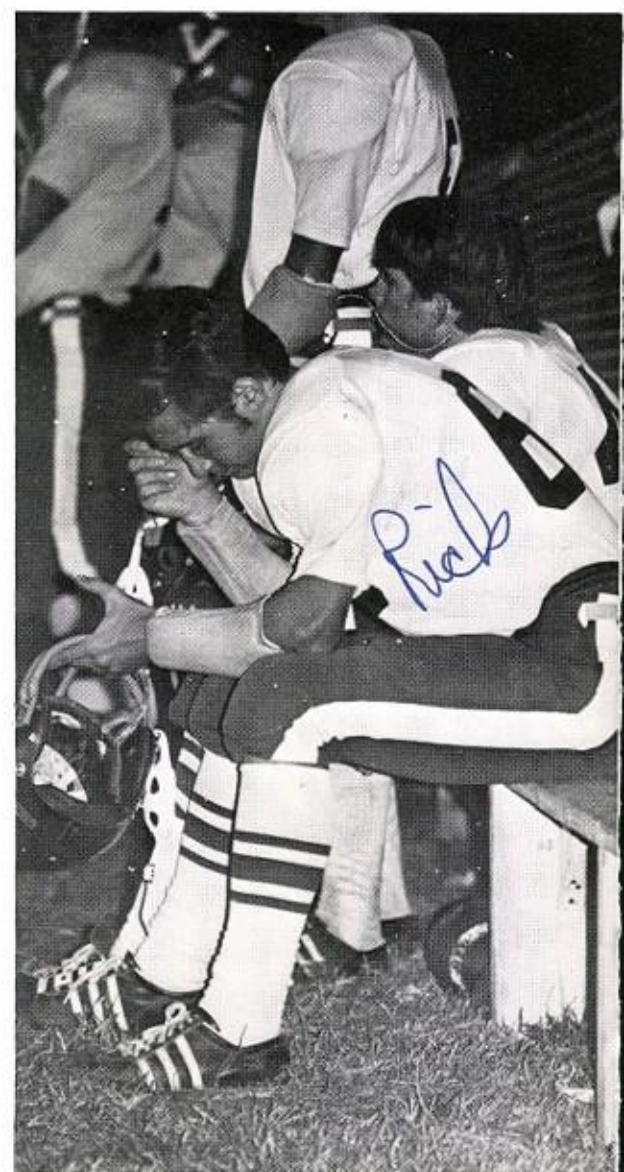

The Spiro Bulldogs put the bite on the Birddogs in a Bi-State battle as the Pointers suffered their second loss of the season.

Using the outstanding running of Bulldogs Myron Shoate and John Bunch, Spiro built up a 32-6 halftime lead before finally pulling out the victory by a 40-6 deficit.

Spiro scored first on a 75-yard interception return but the Mighty Dogs fought back with a touchdown of their own. Mark Hatfield hit tight end, Barry Cann, with a 28-yard scoring pass but the extra point attempt failed and the Pointers trailed 8-6.

That was as close as the Birddogs got to winning as Spiro gradually pulled away for the victory.

The Birddogs began many other penetrating drives but were unable to score due to the prevailing Bulldog defense. Bob Rayburn did an excellent job of blocking for Van Buren and Randy Miller played another good defensive game.

DEFEAT IS never cheerful as Junior Rick Powell projects his own personal feeling against the Bulldogs.

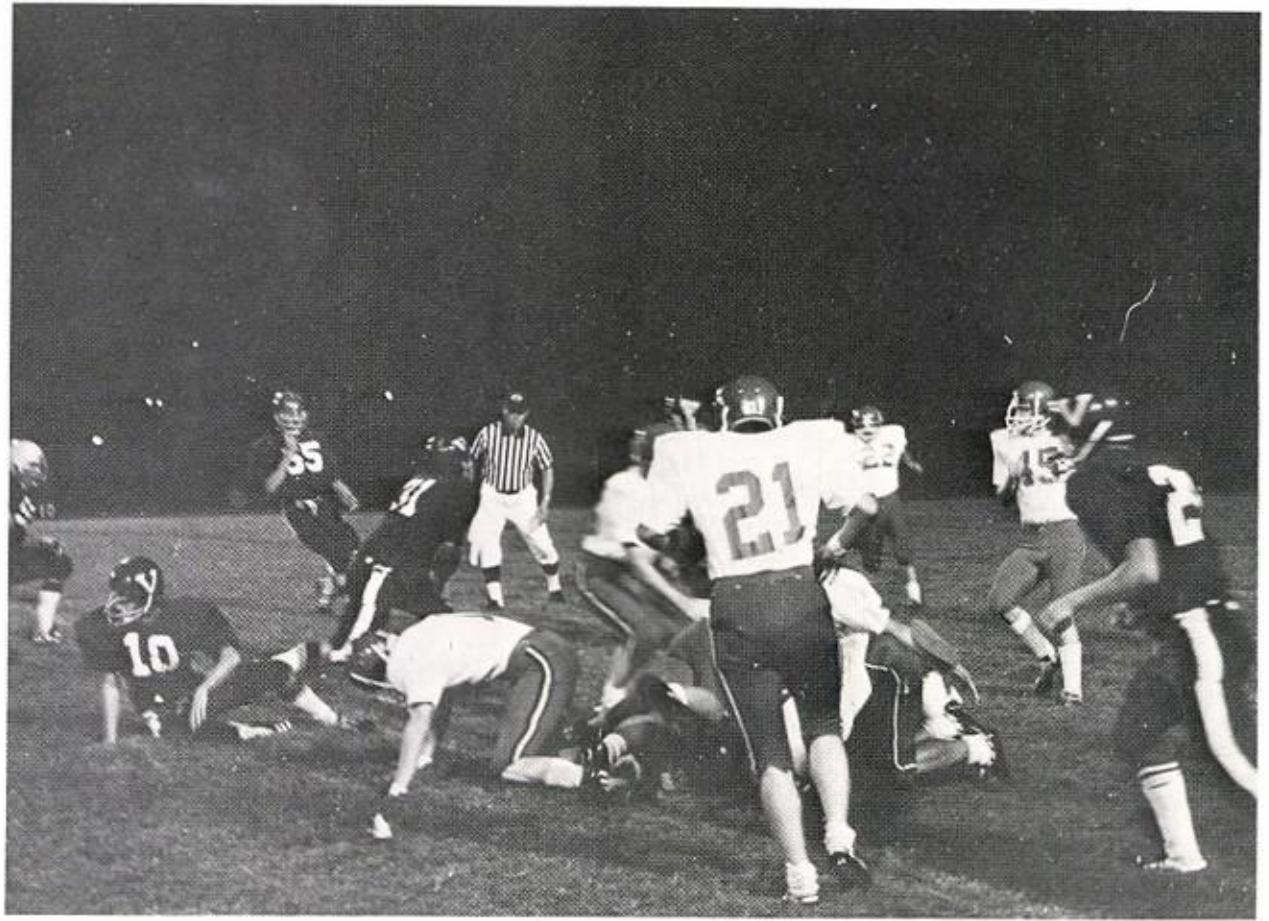

Pointers Succumb to Bearcats, Rebels

Mena

Two costly fumbles meant the difference between win and lose for the Bird-dogs as they dropped their second Region 2-AA contest to the Mena Bearcats, who eventually won the conference race.

Van Buren's first fumble came when Roger Kendrick bobbled the pigskin on the Pointer eight-yard line. Mena recovered and scored the only touchdown of the game four plays later.

The Pointer's last fatal fumble came in the third period. Mena defenders stripped Phil Perry of the ball on the ten-yard line to kill what might have been the winning touchdown drive.

FULLBACK BOB Rayburn (31) bursts through the Mena defense for a ten-yard gain. The Bearcats handed the Dogs their second 2-AA loss by a 6-0 deficit.

Southside - Ft. Smith

The Mighty Birddogs lost a hard fought battle to the powerful Rebels of Southside, 20-0, at Mayo-Thompson.

Dogs Mutilate Trojans for 2-AA Win as

BARRY CANN rambles over two Subiaco Trojans in way to a Pointer first down.

Coach Rex Yerby unleashed a new quarterback in the form of Barry Cann who in turn unleashed a brilliant passing attack to lead the Pointers to their first Region 2-AA victory, a 26-0 slaughter of the Subiaco Trojans.

Cann combined his passing with the exceptional rushing tactics of Mark Hatfield as the Pointers amassed over 400 yards in total offense.

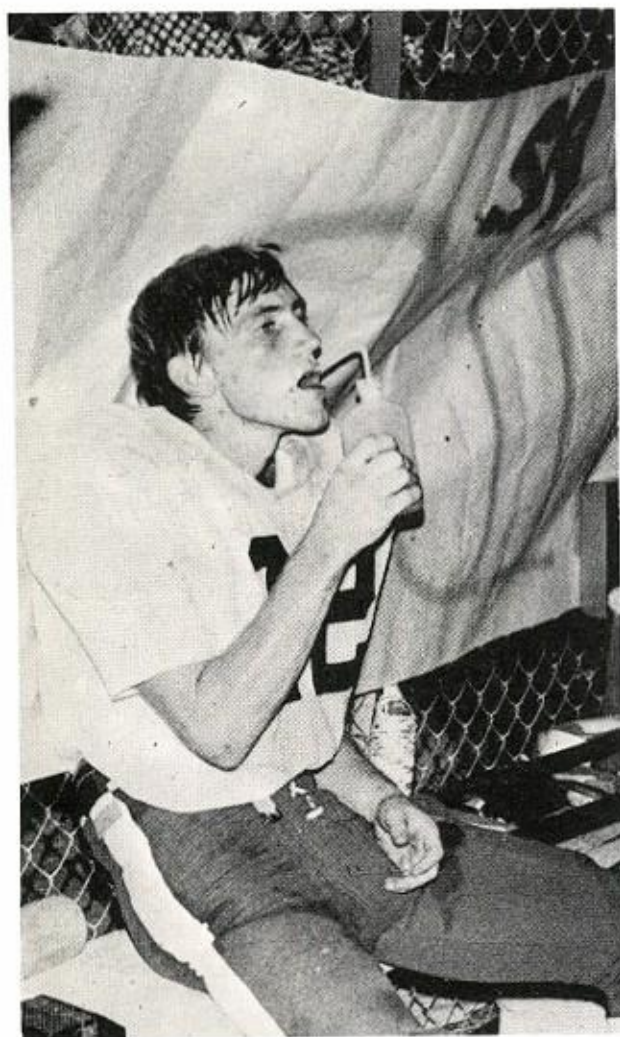

Cann fired two touchdown passes

and set up two more as he completed an amazing total of 9 of 13 passes for 162 yards. Cann also rushed for 49 yards on nine carries. Hatfield scored two touchdowns, one on a two-yard plunge and the other on an 18-yard pass from Cann. Hatfield rambled for 75 yards to lead Pointer rushers.

Dick Edds and Westley Turner also scored touchdowns for the Pointers.

ELLIOT HAYS, senior monsterman, plows into a Subiaco Trojan ball carrier and forces a fumble (ball at left) as the Dogs clobbered the Trojans, 26-0.

BREAK-TIME—Halfback Ronnie Watkins pauses for a short water break against the Trojans.

SOPHOMORE STEVE Hatfield is brought down by Trojan defenders after catching a short pass from quarterback Barry Cann.

Pointers Fall to Rogers, Siloam Teams

The Rogers Mounties exploded for thirteen first-half points and held on to their lead as they shocked the Dogs 13-7 at the Rogers field.

The fired up Mounties capitalized on Pointer mistakes and scored commandingly before the Pointers could establish any sort of penetrating drive.

Van Buren almost pulled a comeback victory as Mark Hatfield scored late in the last period and the Dog's defense recovered a Mountie fumble.

Siloam Springs invaded Pointerland and took an upsetting 6-0 victory to spoil the VBHS Homecoming ceremonies and dropped the Pointer's season record to 2-6.

The Pointer's Bob Rayburn missed on a first half field goal attempt that would have put the Dogs in the lead.

Randy Gray plunged over late in the fourth quarter for the game's only touchdown to give Siloam the victory.

STEVE HATFIELD slams into a Siloam Springs Panther before being brought down near the Panther goal line. Pointers, Frank Kelly (80) and Hugh Kincy (20) prepare to open the hole for Hatfield.

St. Annes

The Pointers held victory, sweet victory, and revenge in their hands but a second half rally saw the Pointers lose their grasp and a 2-AA contest to the St. Anne's Buffaloes by a score of 10-9.

The loss was a heartbreaker as the Dogs held a 9-0 halftime lead, the only first half error being a missed extra point.

But the Buffs came back in the second half and penetrated the Pointer defensive secondary for a late touchdown. The Buffs took the victory on a 30-yard field goal.

MIKE CONSIDINE shows the form that led him to obtaining All-District honors as he brings down a St. Annes Buffalo.

Bentonville

Van Buren closed out the 1972 season on an unhappy note by dropping a 32-6 decision to the Bentonville Tigers.

The Pointer defense failed to contain Tiger running back Rick White who scored four touchdowns and rambled for 100-plus yards.

Bentonville jumped out to a 26-0 lead at half but the Mean Green defense allowed the Tigers only one touchdown in the second half. But the damage was done as the Pointers could manage only one touchdown in the second half also.

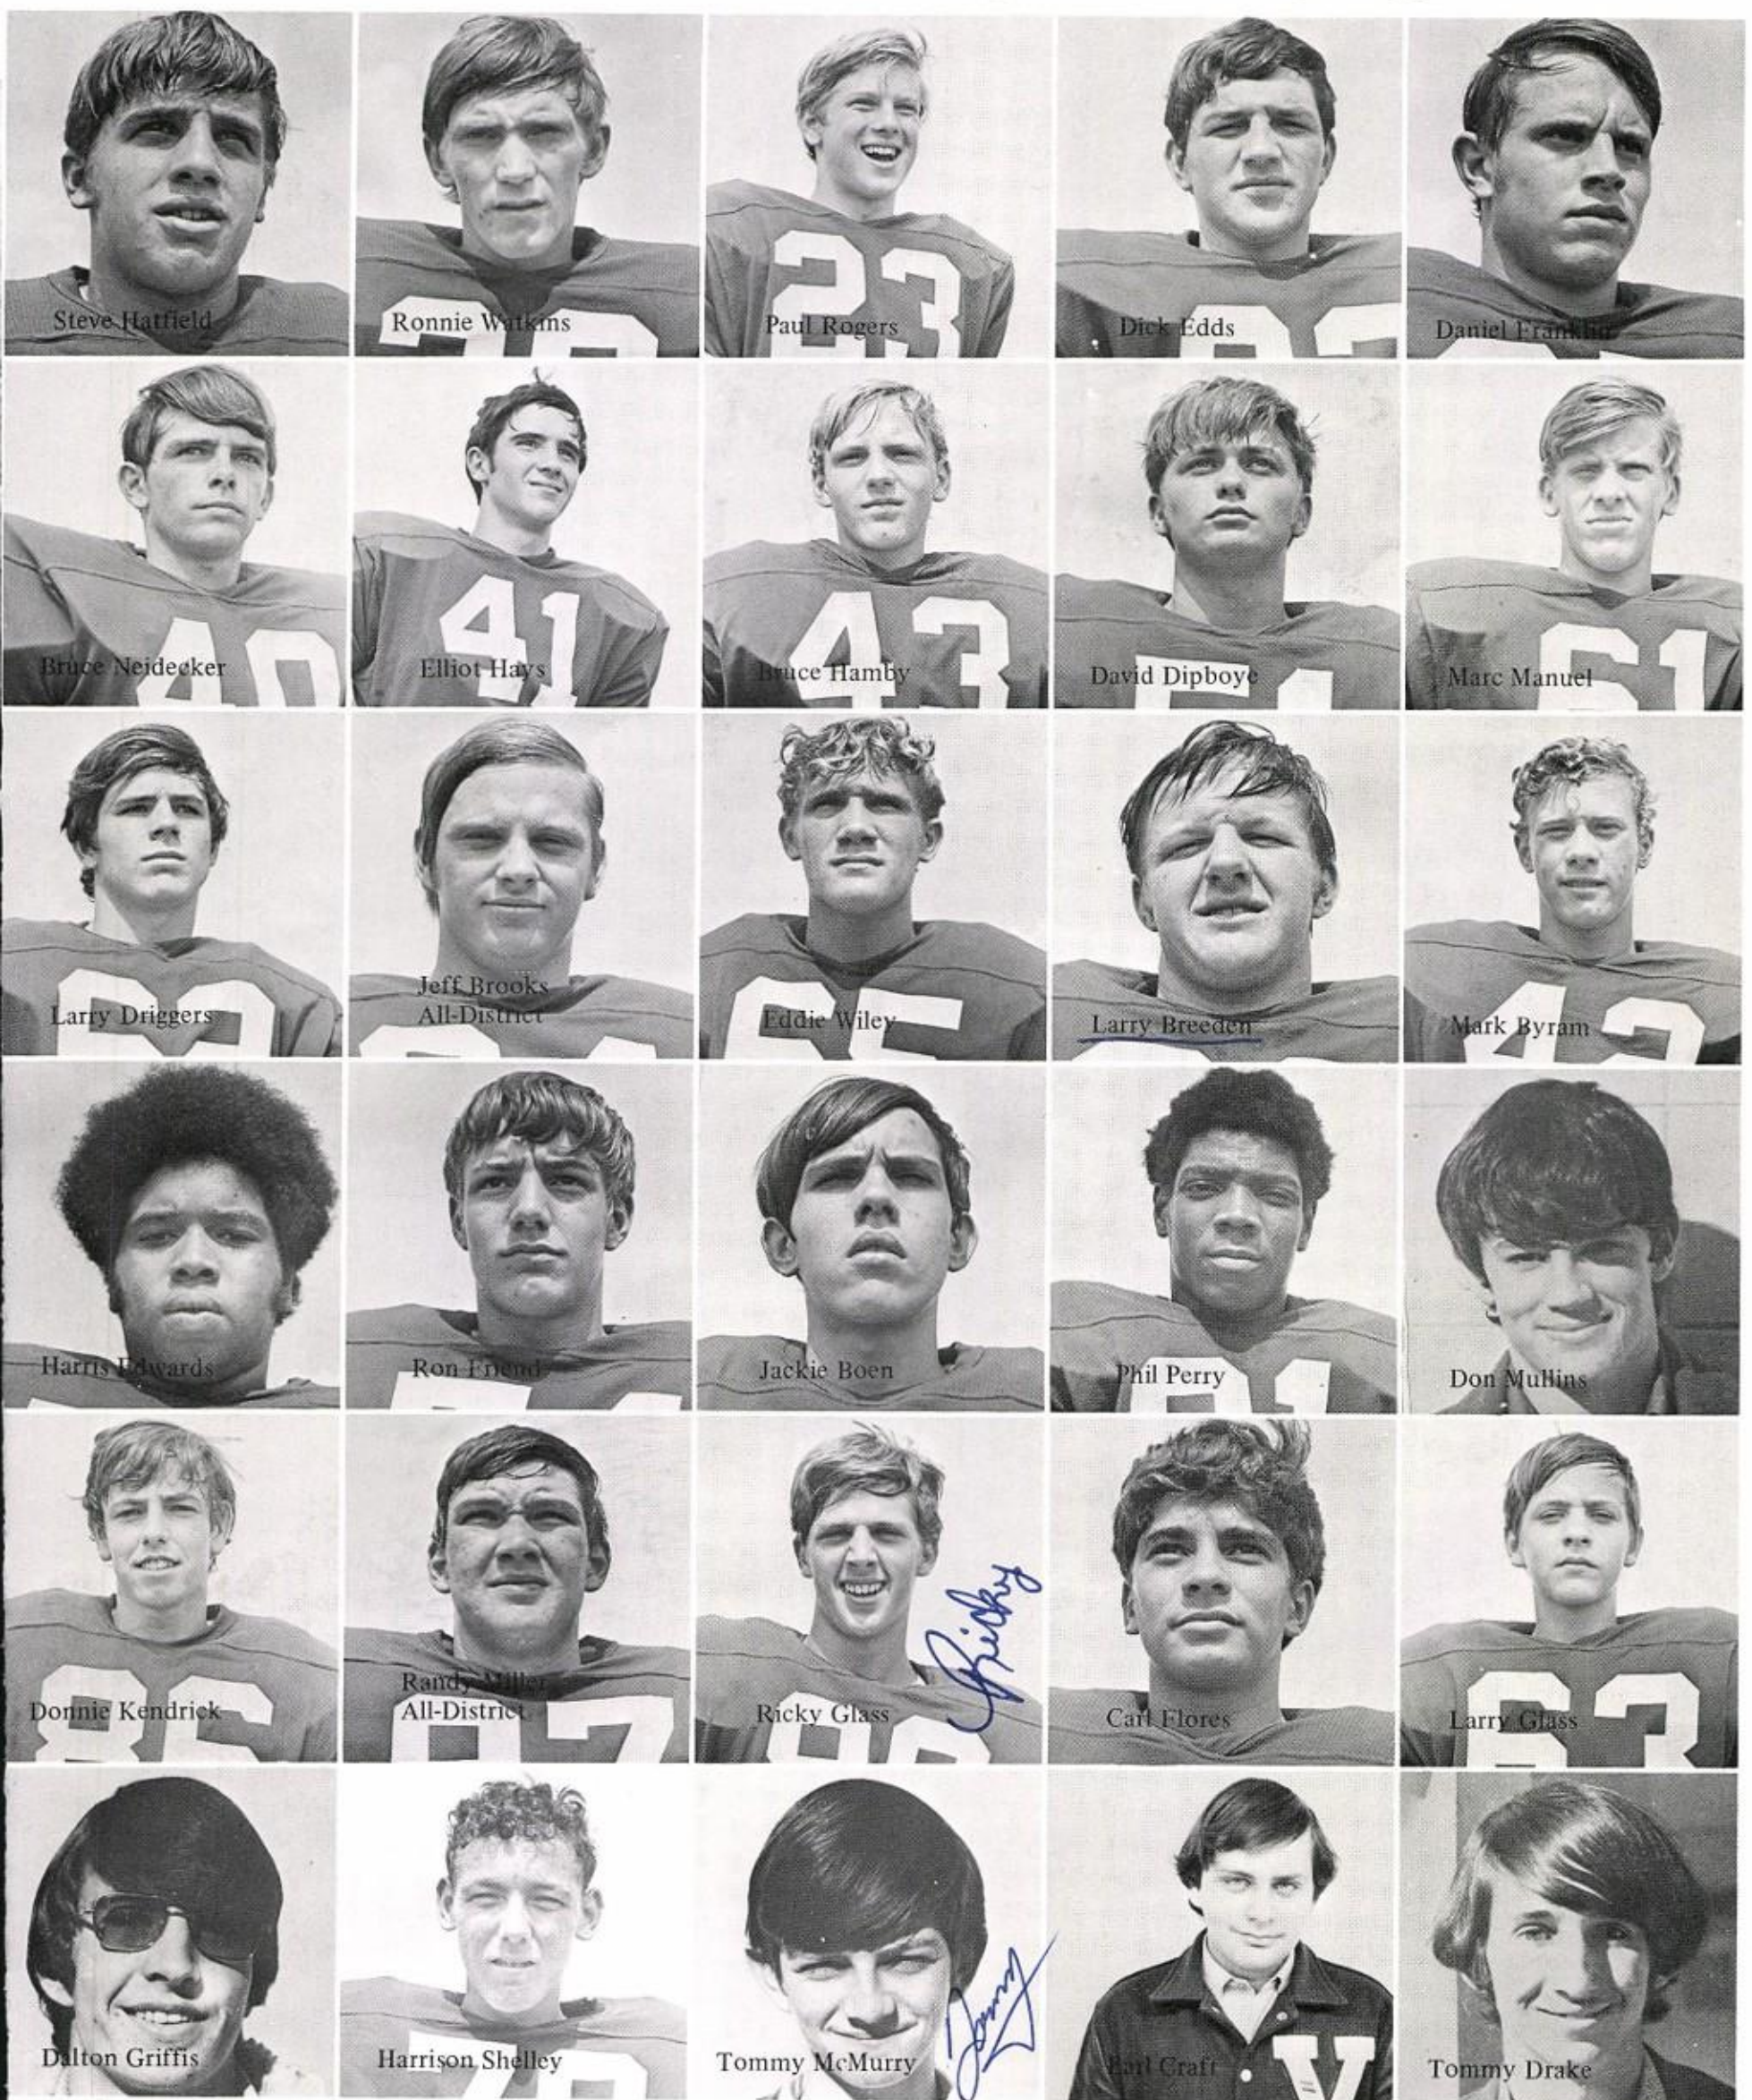

Van Buren's TD came when Steve Hatfield hit Frankie Kelly with a 12-yard pass.

POINTER POINTMAKER Randy Fears soars high over surrounding Northside Grizzlies for an easy two points. The Pointers bowed to the powerful Bears, 70-35 for the first loss of the 1972-73 season.

Birddogs End With 15-10 Record

Coach Joe Bagwell and his Blitzing Birddogs have done it again. For the second straight year, they have brought a glorious basketball season to Van Buren High School.

Last season Coach Bagwell stepped into what most people thought would be an impossible task: bringing a winning basketball season to Van Buren. But Coach Bagwell subdued this task by guiding the Pointers to a successful 16-13 season.

This year Coach Bagwell repeated this feat as he led the Pointers to a 15-10 season record.

Randy Fears, two-time All-Region

guard, led the Birddogs in the scoring department for the second straight season. Fears averaged 18 points-per-outing and shot on a 45 per cent clip.

Following Fears in the scoring column were Otta Cluck with an 11.0 average, Randy Miller with a 10.0 per game mark, Mark Hatfield who averaged 5.0, Bobby Freeman with a 5.0, Doug Chamness 7.0, Jamie Cheek 2.0, Ronnie Watkins 2.0, Larry Stockton 1.0, Joe Davis 7.0, Tony Bolin 3.0, Rusty Bushong 2.0, and Frank Kelly 4.0.

Otta Cluck led the Pointers in rebounding 192 grabs, followed by Miller with 183, and Fears with 175.

The Pointers won their opening game of the season by a narrow 59-57 margin over Mansfield. Miller paced the Pointer attack with 17 points while Fears added 15.

Despite a fine overall effort, the Birddogs lost to Charleston 58-53 in their second outing. Davis led VB scorers with 16 points as Fears added 14 and Freeman 10.

The Pointers got back in the winning track with a 73-53 win over Cederville. Cluck tallied 25 and Fears 21 to pace the Dogs.

Dogs capture respect of fans

Van Buren then dropped two consecutive losses, one to Northside 70-35 and one to Southside 52-44. Fears led the effort with 10 against the Grizzlies and 21 against the Rebels. Cluck also put in 10 against the Rebels.

Fears tossed in 16 markers and Joe Davis 11 as the Dogs recorded a 51-44 win over Siloam.

Northside invaded the Pointer premises and handed the Pointers a 59-27 loss. Fears poured in 12 points to aid the VB effort.

Four Pointers hit in double figures as the Birddogs set a new school record by downing Cederville 80-67. Fears led all scorers with 23, Cluck followed with 16, Davis 13, and Freeman 11.

Fears, Miller, and Cluck poured in 21, 16, and 10 points respectively to pace the Pointers past Paris 68-33.

Southside barely escaped defeat as the Rebels edged VB, 45-42. Fears captured high points of the night with 19.

Van Buren traveled to the Springdale Tourney and almost came home with all the trophies but Springdale nipped the Dogs 46-44 in the final game. VB swamped Fayetteville 51-48 in the semi-finals. Fears pumped in 50 points in the tourney, 26 the first night and 24 the second to lead the Birddogs in the scoring column. Miller tallied 14 and 11 points

respectively for the two-nights event. Fears, Miller, and Cluck all make the All-Tournament team.

The Pointers then took back-to-back victories over Alma by scores of 48-40 and 63-54. Cluck and Miller led in the first contest with 17 and 10 points. Miller popped in 18, Cluck added 10, and Fears 15 for VB in the second game.

The Pointers recorded their first tournament championship ever by downing Mountinburg 39-38 in the finals of the Crawford County Tourney. Miller hit 18 for high point honors.

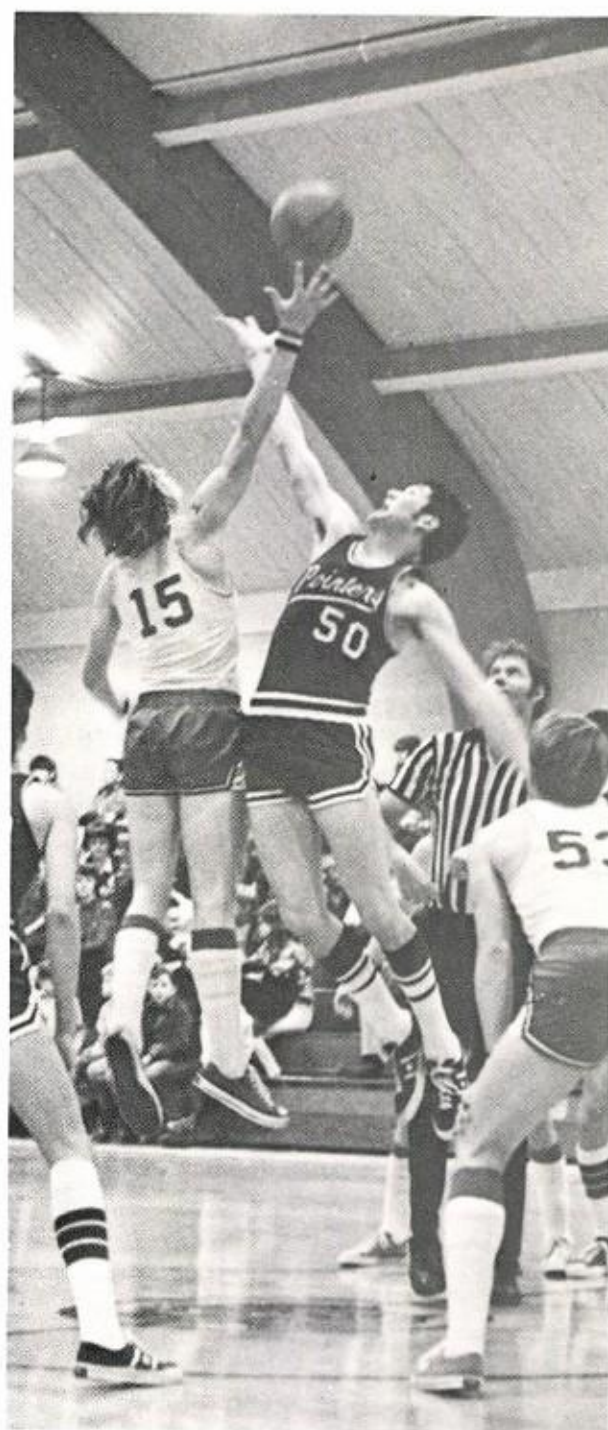

Fears hit a career high of 27 points as the Dogs crushed the Mena Bearcats 54-45. Cluck also added 17.

Van Buren suffered a stroke of bad luck against the Subiaco Trojans in a 43-42 loss. Fears and Cluck led the Pointers with 17 and 15 points respectively.

The Pointers then put together a string of two wins by overpowering Paris 60-49 and St. Annes, 54-40. Fears hit 22 points in both games while Cluck contributed 18 against Paris and 10 against the Buffaloes.

Alma stopped the Pointers win streak by dealing the Dogs a 59-48 upset loss. Fears managed 16, Cluck 12, and Doug Chamnes 10 for the Pointers.

The Pointers took one of their biggest wins of the year in a 59-52 victory over Charleston. Fears led all scorers with 24, while Cluck and Chamness each scored 10.

Fore! Get in there, Babe!, and "you sorry \$'%'*+/%@+!" could be heard on the Cedars Country Club golf course this summer as the VBHS team again established itself as the supreme power in Region 2-AA for the second straight year.

Randy Fears, Barry Cann, Bob Rayburn, Bruce Ray, Rusty Bushong,

Over the past two years, the team has carved out two 2-AA championships and has been runners-up in the state tourney twice.

Pointer tracksters show blazing ability

Track has longtime been a rewarding part at VBHS. The result of individuals working together to accomplish a goal makes track program worthwhile.

Coach Rex Yerby, new track coach this year, and his thinclads rekindled the Pointer fire on the cinders this season and brought home many victories throughout the spring campaign.

At the outset of the season the Pointers were defending champs of Region 2-AA. But injuries and other setbacks made it difficult for the Bird-dogs to capture the 2-AA crown for the second straight season.

Among those on the Pointer track squad this year were: Phillip Wade, Donnie Kendrick, Ricky Glass, Elliot Hays, Earl Craft, Bruce Hamby, Ken Neckar, David Dipboye, Eddie Wiley, Ricky Moon, and Bruce Reed.

VBHS students attend Westark

Sixteen students from Van Buren High are attending special vocational classes at Westark Community College in Fort Smith.

For the first time in WCC history area high school students are being offered the chance to take advantage of the institution's services. Van Buren Superintendent James Tate and Principal Bill Mitchell have indicated much interest in the special program.

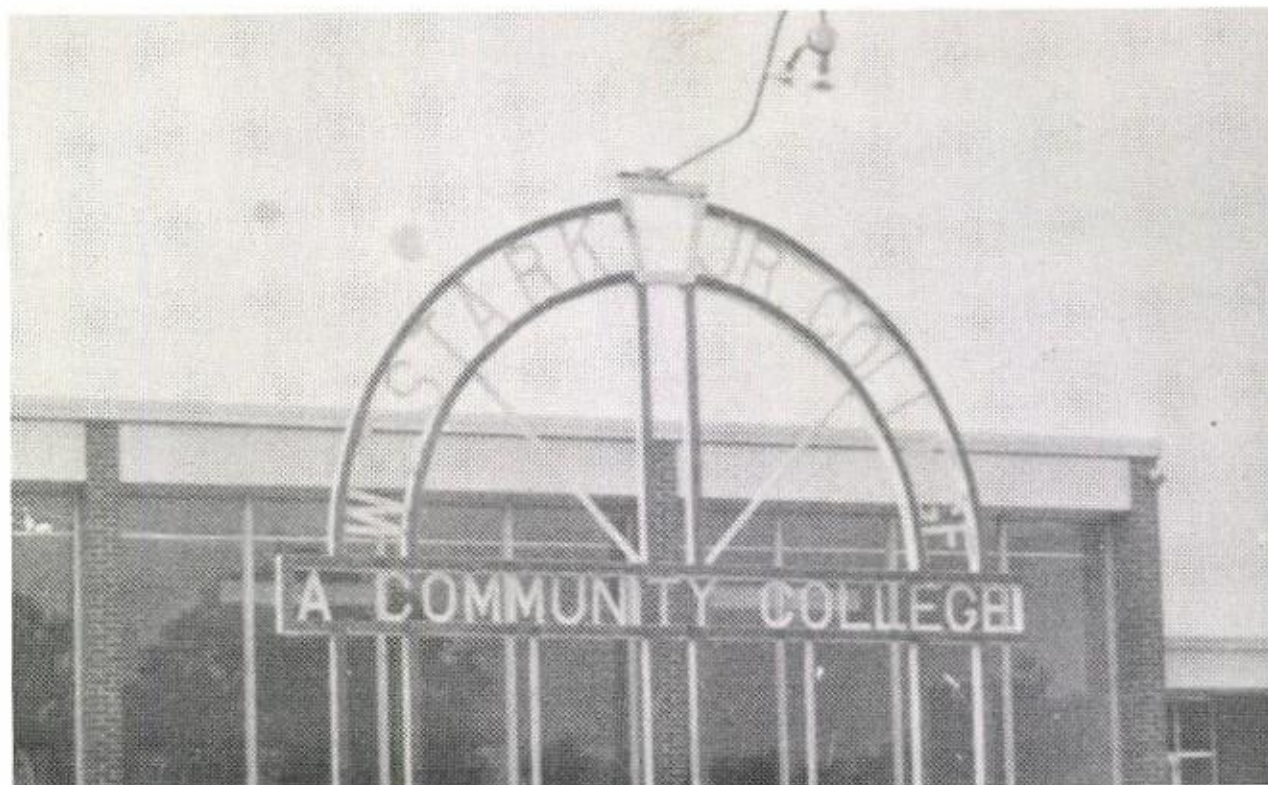

The subjects range from bookkeeping to welding. A total of ten classes are offered to the students. The purpose is at this stage an exploratory project designed for sophomores but open to juniors and seniors.

One of the advantages of the program is that a student can decide which vocational area suits his or her abilities.

Students in the program attend a half day at the high school, then travel to Westark for the remainder of the day.

DECA names 73 sweetheart

Chosen by her fellow members of the Distributive Education Department, Miss Becky Richmond has served the group as the DECA Sweetheart for the 1972-73 school year.

Besides DECA, Miss Richmond has also been active in various other organizations. These include Mixed Chorus, Partners in Christ, and previous work as a librarian. In addition to her school activities, Becky has also found time to have a job in accordance with the DECA program.

In choosing the girl who is to represent DECA for the upcoming school year, much thought must be given in order that the right person for the honor is selected. Beauty, combined with a willingness to work and participate in activities are all qualities which must be given consideration.

'73 senior play claims applause

The annual senior play has become as much tradition to the class as fitting for caps and gowns.

So in keeping with this time-honored tradition, theatrically-minded seniors, along with several nervous sponsors, presented "The Clock Struck Twelve," on November 18, 1972.

Much rehearsal, combined with good natured play produced an excellent piece of work that indeed sent the crowd into gales of laughter. It is hard to determine who had the most fun, the players or the audience. It's generally agreed, however, all enjoyed themselves.

Thanks go to the sponsors who directed the play, and gave much energy in the effort of getting the cast to learn lines. These sponsors are Mrs. Grace Barlow, Colonel Gordon McQuain, Miss Donna Smith, Mr. Don Martin, Mr. Tony McDaniel, Mr. Martin Greer, and Mr. Mike Kolb.

Seniors conclude fast paced '72-'73 year

To many of the seniors, the date of graduation doesn't mean an end to a phase of life to which they have committed all their prior time, but the beginning of a new and exciting phase with new tasks to accomplish and new goals to reach. Whether it be in college or other post-graduation schooling, or new jobs, the termination of high school days certainly is no end.

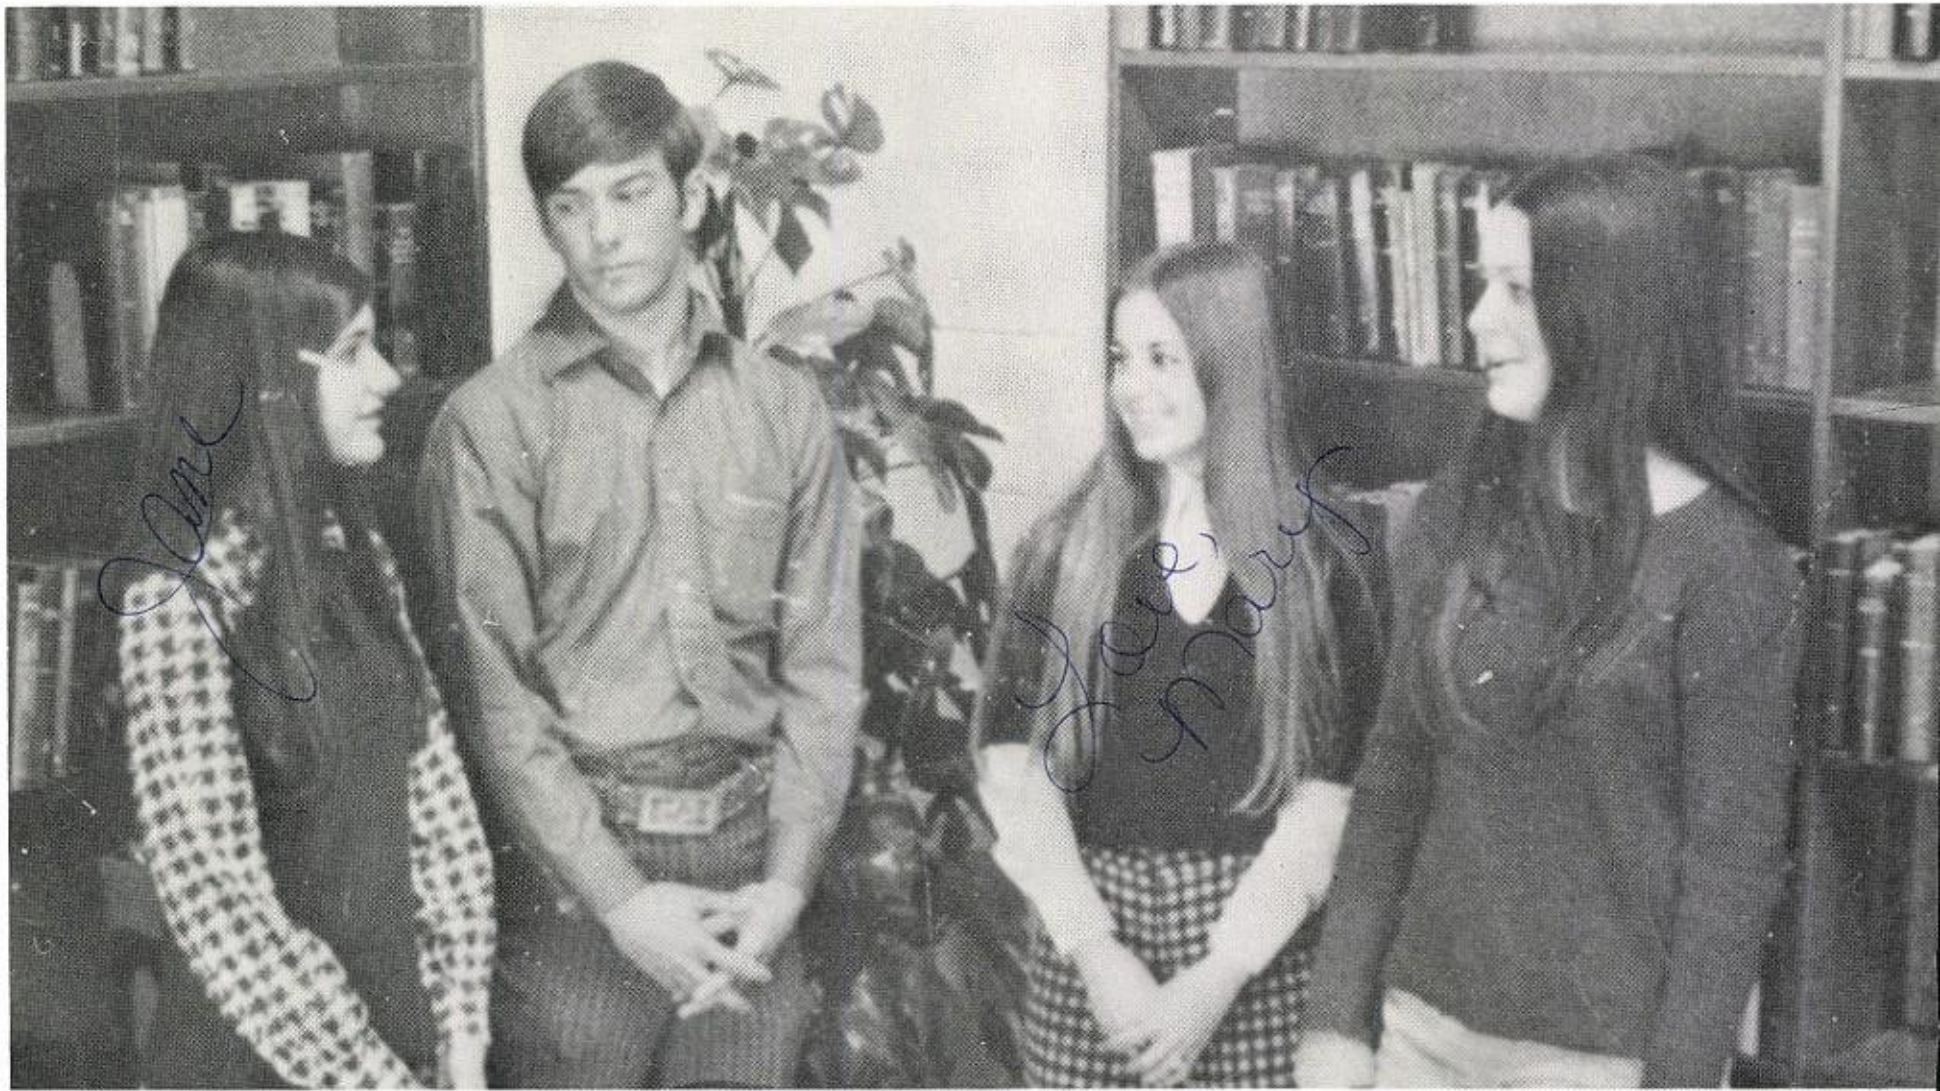

So many things go into the makeup of a dynamic senior year. Important things such as the ordering of invitations, a prom, and the all-important senior banquet, climaxed of course by the graduation ceremony itself. More than this, however is the element which the senior himself puts into his final year.

This year's activities were begun with the senior play, an excellent success, and continued at a breakneck pace until the time when the seniors receive their long sought goal.

Leading the seniors in their varied plans and activities this year were the sponsors. They are Mrs. Grace Barlow, Col. Gordon McQuain, Mr. Don Martin, Mr. Tony McDaniel, Miss Donna Smith, Coach Joe Bagwell, and Mr. Michael Kolb.

FRANKIE BATCHELOR and Roy Sidler discuss several topics, some of them concerning school.

Emotions launch junior class action

Ability, interest generate spirit in Class of '75

Vigor, determination, ability, and interest merge to comprise the Sophomore spirit. This class plays a large role in activities, being enthusiastic in providing service to the school.

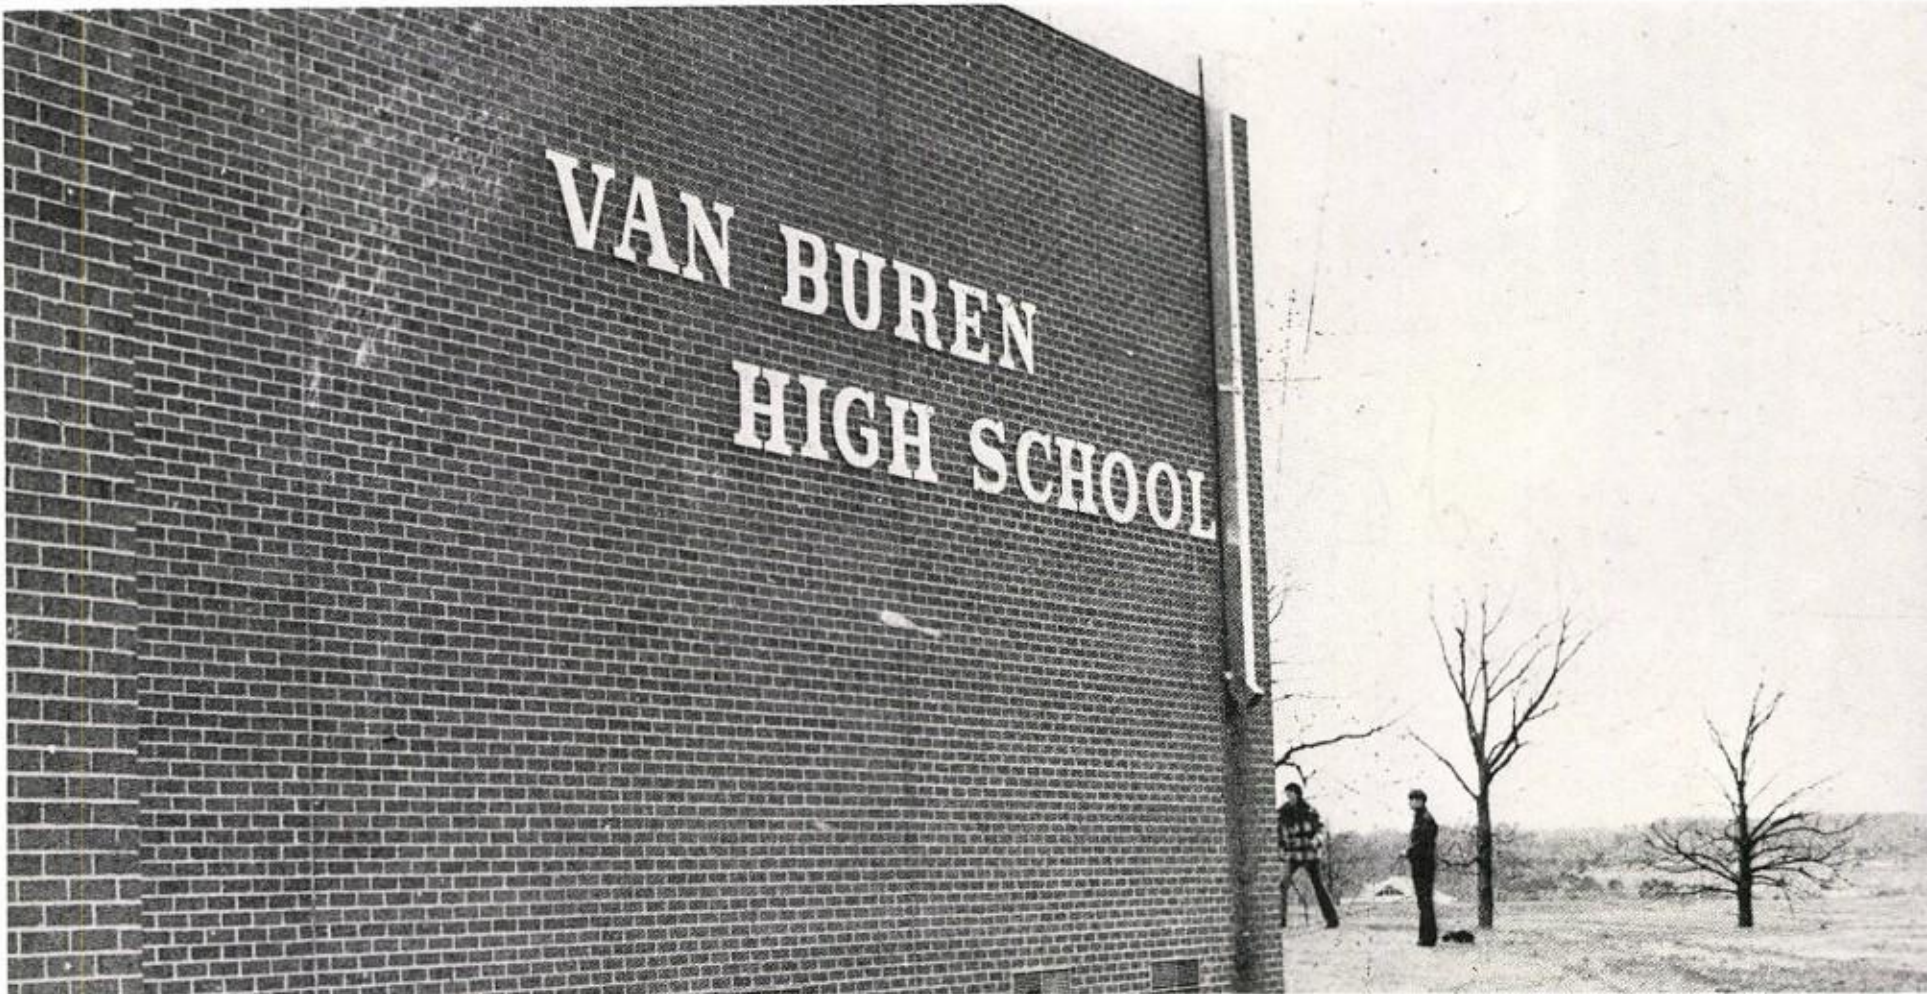

Leadership inspires the Class of '75 to even greater aspirations, for the qualities shown in this branch of student government proves the Sophomores' elected officials to be deserving of high commendation.

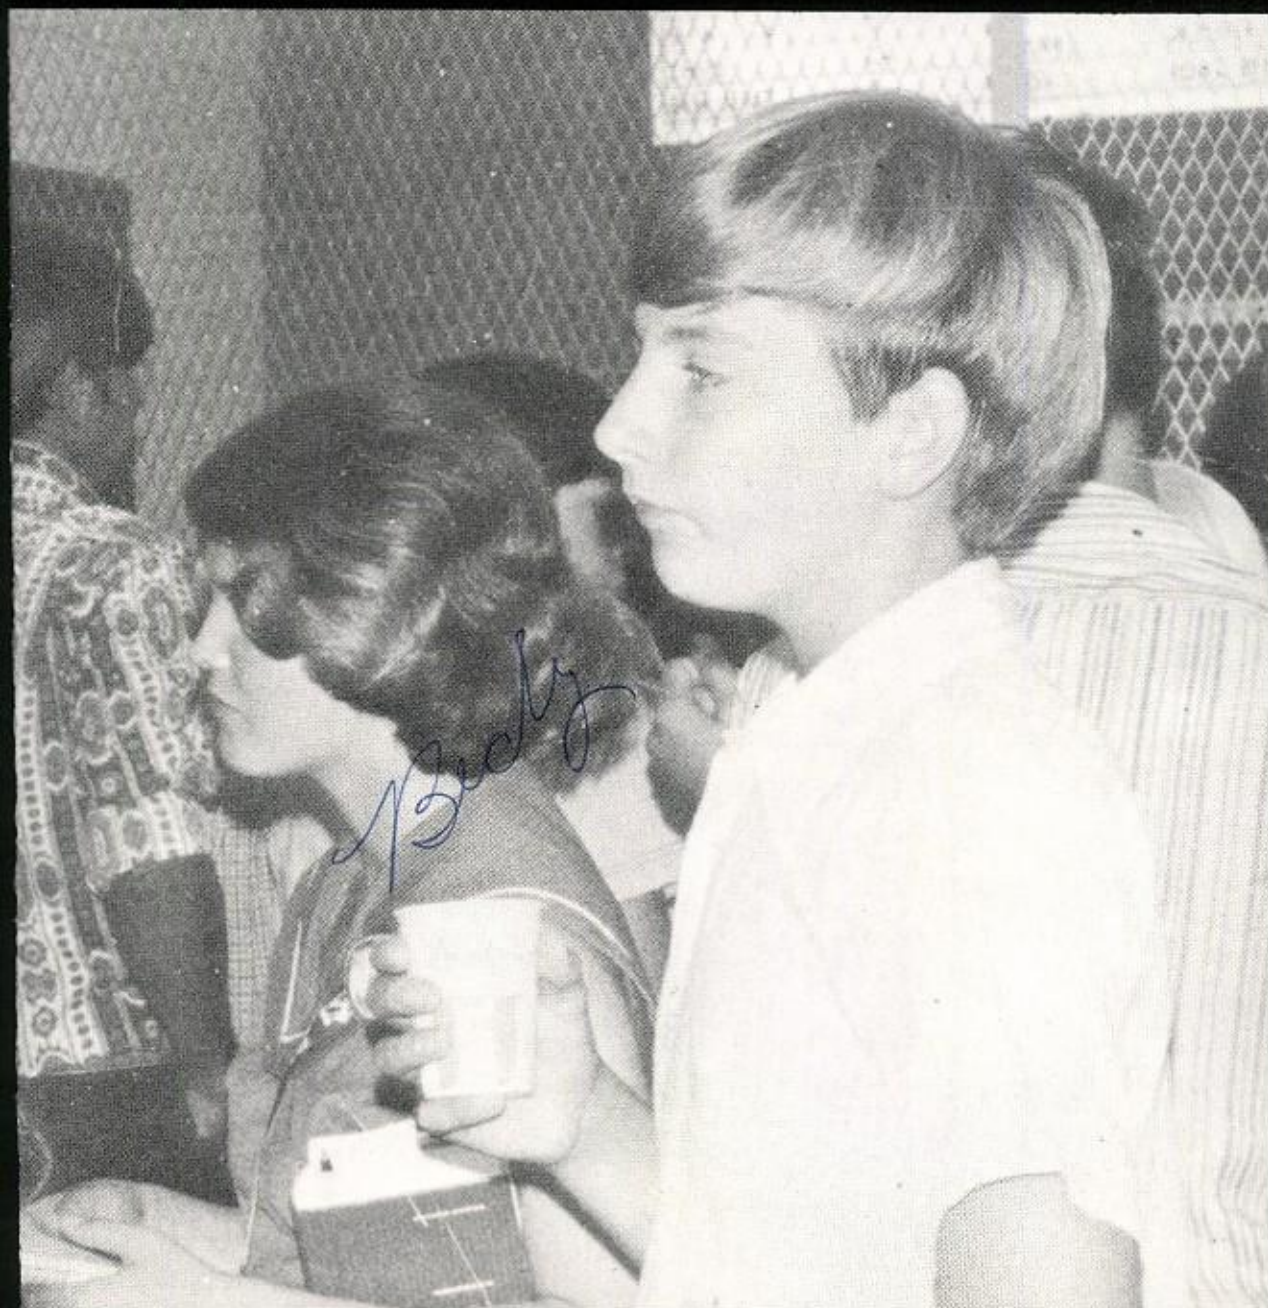

In preparation for an active year the class members involved themselves in varied clubs and organizations, serving well in their positions. Class sponsors, Mr. Jerry Duncan, Mr. James Colvard, Mrs. Elsie Greig, Mr. Ralph Hughes, Mrs. Linda May, Mrs. Emma Posey, Sgt. Ramsey, and Mr. John Rotert, worked towards completing a good year.

Van Buren High School may be indeed proud of this dedicated mass of vivacious energy, this abundance of devoted students. Their many fine qualities point to a successful past and a promising future.

SOPHOMORE CADET Earle Craft benefits from the instruction of this Army official during the visit of the Huey helicopter.

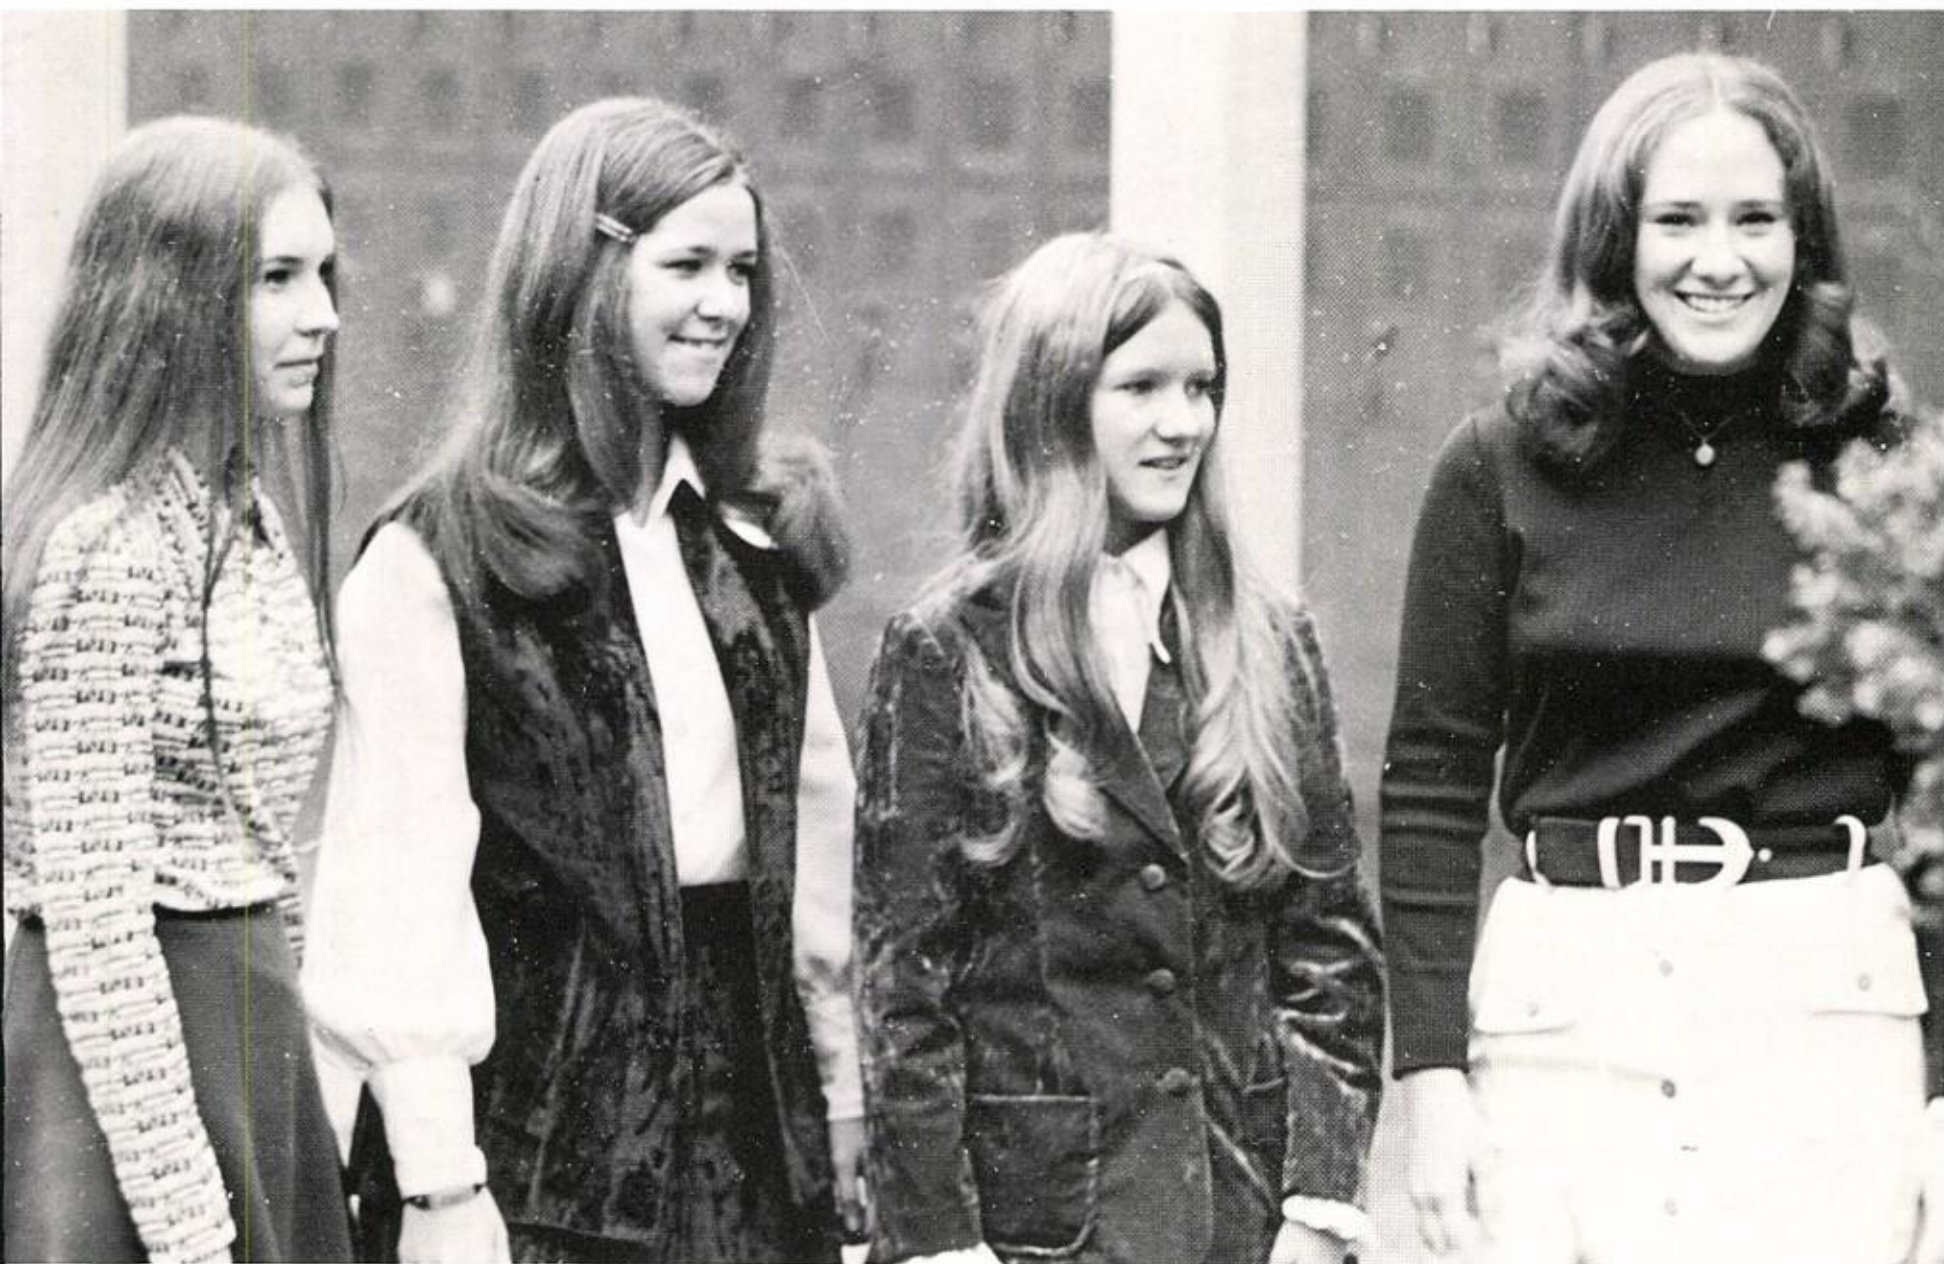

Juniors display unique traits

Showing much of their typical Junior spirit, the members of the class of '74 are continually putting forth effort for the betterment of the class. Throughout the year, many activities are carried out by this, all adding to the advancement of the future graduating class of VBHS.

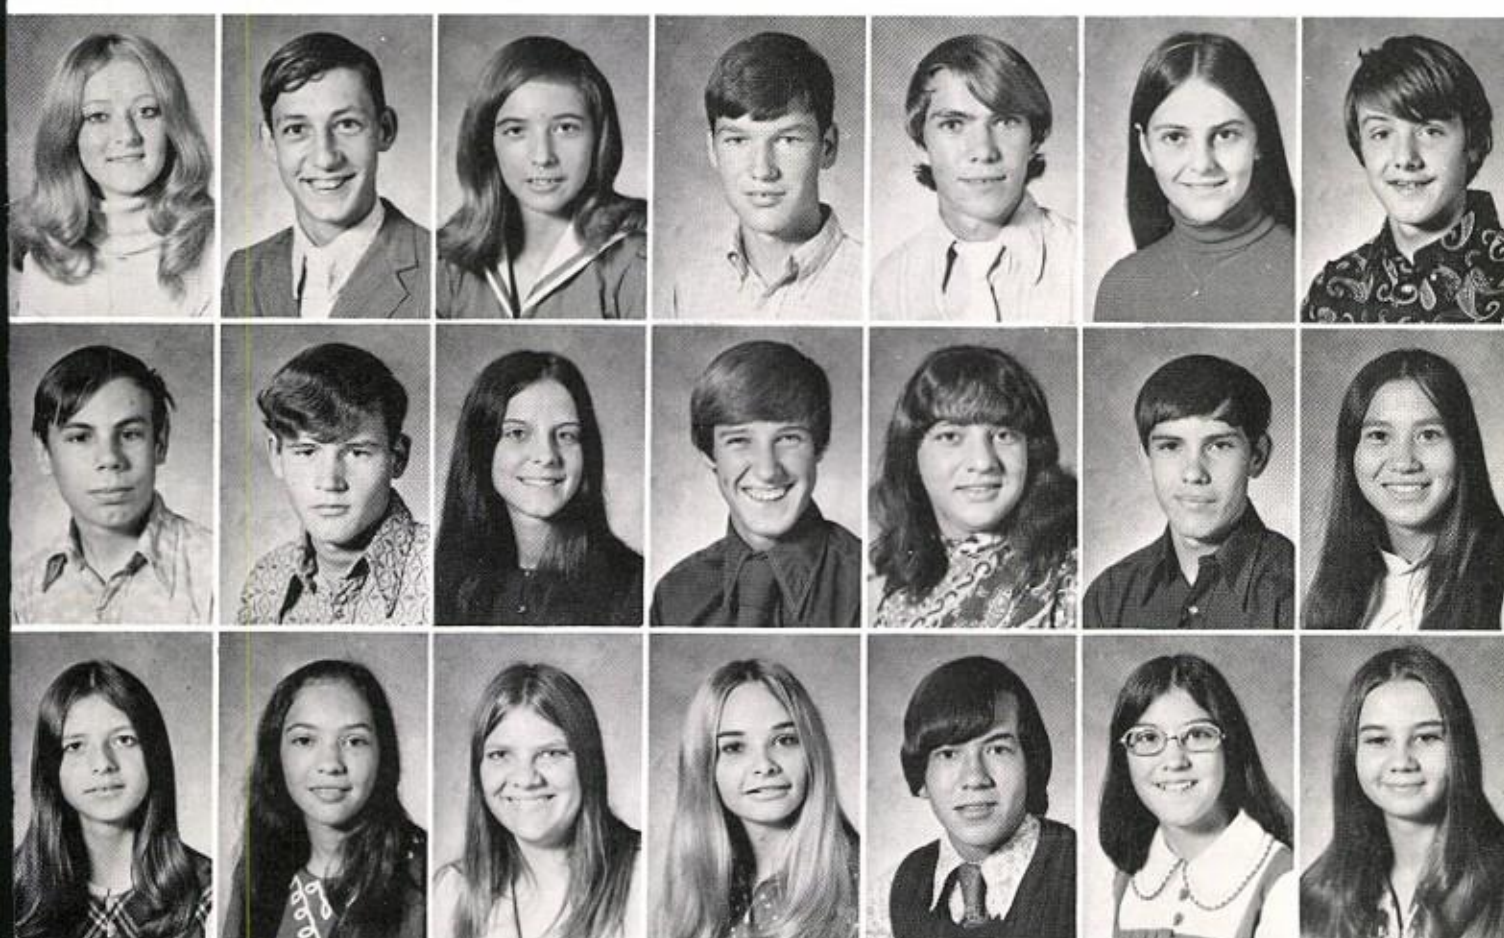

There are, of course, many serious activities, such as the play and the prom, but, as with any other students, there are quite a few comical moments. It is indeed a clever combination that adds to the success of a well rounded Junior class.

Leading the juniors this year were class sponsors Mr. Gordon Yearty, Coach Clair Bates, Mrs. Joan Harper, Miss Wilda Reeves, Mr. James Faught, and Mrs. Betty Whedbee. The sponsors work in helping the class with important decisions such as money making projects.

LEADING AN active year were the sophomore class officers (left to right) Kathy Fowler, vice president; Jeanne Hess, reporter; Melony Czarnikow, secretary-treasurer; and Rita Stratton, president.

In Remembrance

On December 1st, 1972, a member of the sophomore class, Larry Glass, was killed in a tragic train-car accident in Van Buren. This young man was a credit to his class, his church, and his community.

Larry's interests and activities here at Van Buren were many and varied. They included membership on the Pointer football team, membership in the National Junior Honor Society, library worker, and many other athletic interests.

Students and faculty members at this high school will certainly not forget the many services that Larry performed for his school, and many will remember him throughout their lives.

JUNIOR HIGH

DEVELOPMENT

Students boost activities

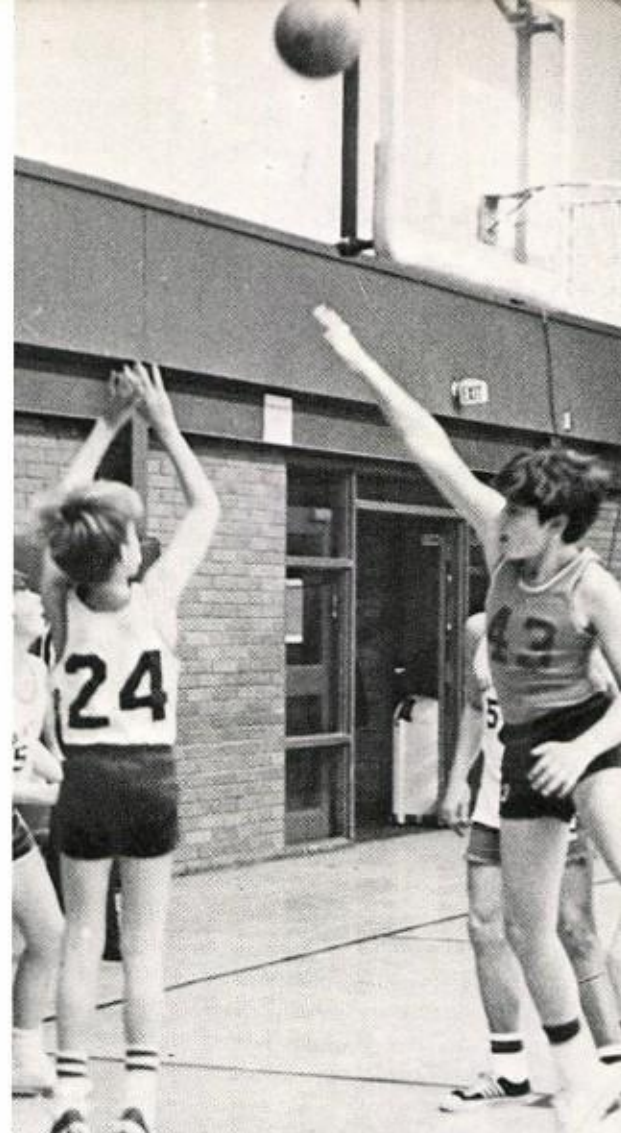

GIRLS OF Miss Yarbrough's P.E. class do an act of entertainment as they demonstrate their abilities in doing stunts.

STUDENTS IMPROVE their knowledge by using the library during their study hall period.

MR. BANTHER pauses to rest after a long day of hard work.

JOE RAY Jones attempts a shot in a game against Alma.

New school affords joy

Soon, the old Junior High building will be replaced by a new and more modern building that will bring a new kind of excitement to the students.

This excitement may be an encouragement to the students. The excitement is not only caused by the new building but caused by the idea of learning in the new surroundings.

So, if a student plans to enter Junior High when this building begins its new life, he should plan to be taken hold of by this excitement.

Hectic year keeps faculty hopping

Handling the operation of a school is a job for very cooperative persons, such as the principal, secretary, and Dean of Students at Van Buren Junior High School.

One of the reasons the Junior High moves as smoothly as it does is Mr. Warren Edmisten, principal. He has the responsibility of seeing that over 800 students receive an education which will serve them in their future years.

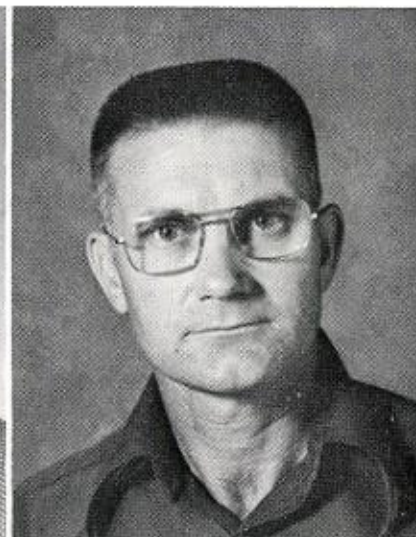

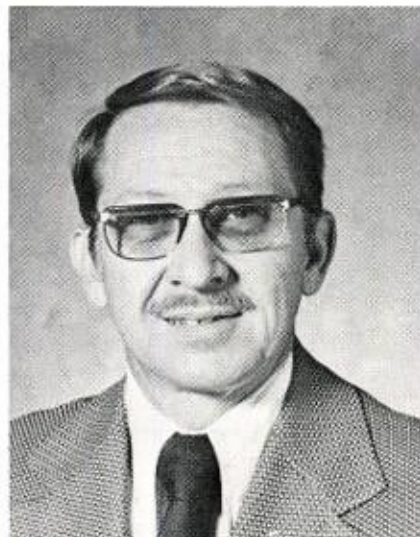

Mr. Edmisten has the able cooperation of his secretary, Mrs. Morrison. By handling the financial affairs and paperwork during a busy school year such as this, she

becomes a necessity for a smooth-flowing operation.

The attitudes of the students which make up a school have a vital part in its success. Helping students with problems and also having conferences to better the students is Guidance Counselor Mrs. Pat Webb and Dean of Students Mr. Daylon Cawthron.

Van Buren Junior High is one of the many schools in the district which looks to the future with spirit and determination.

Memories

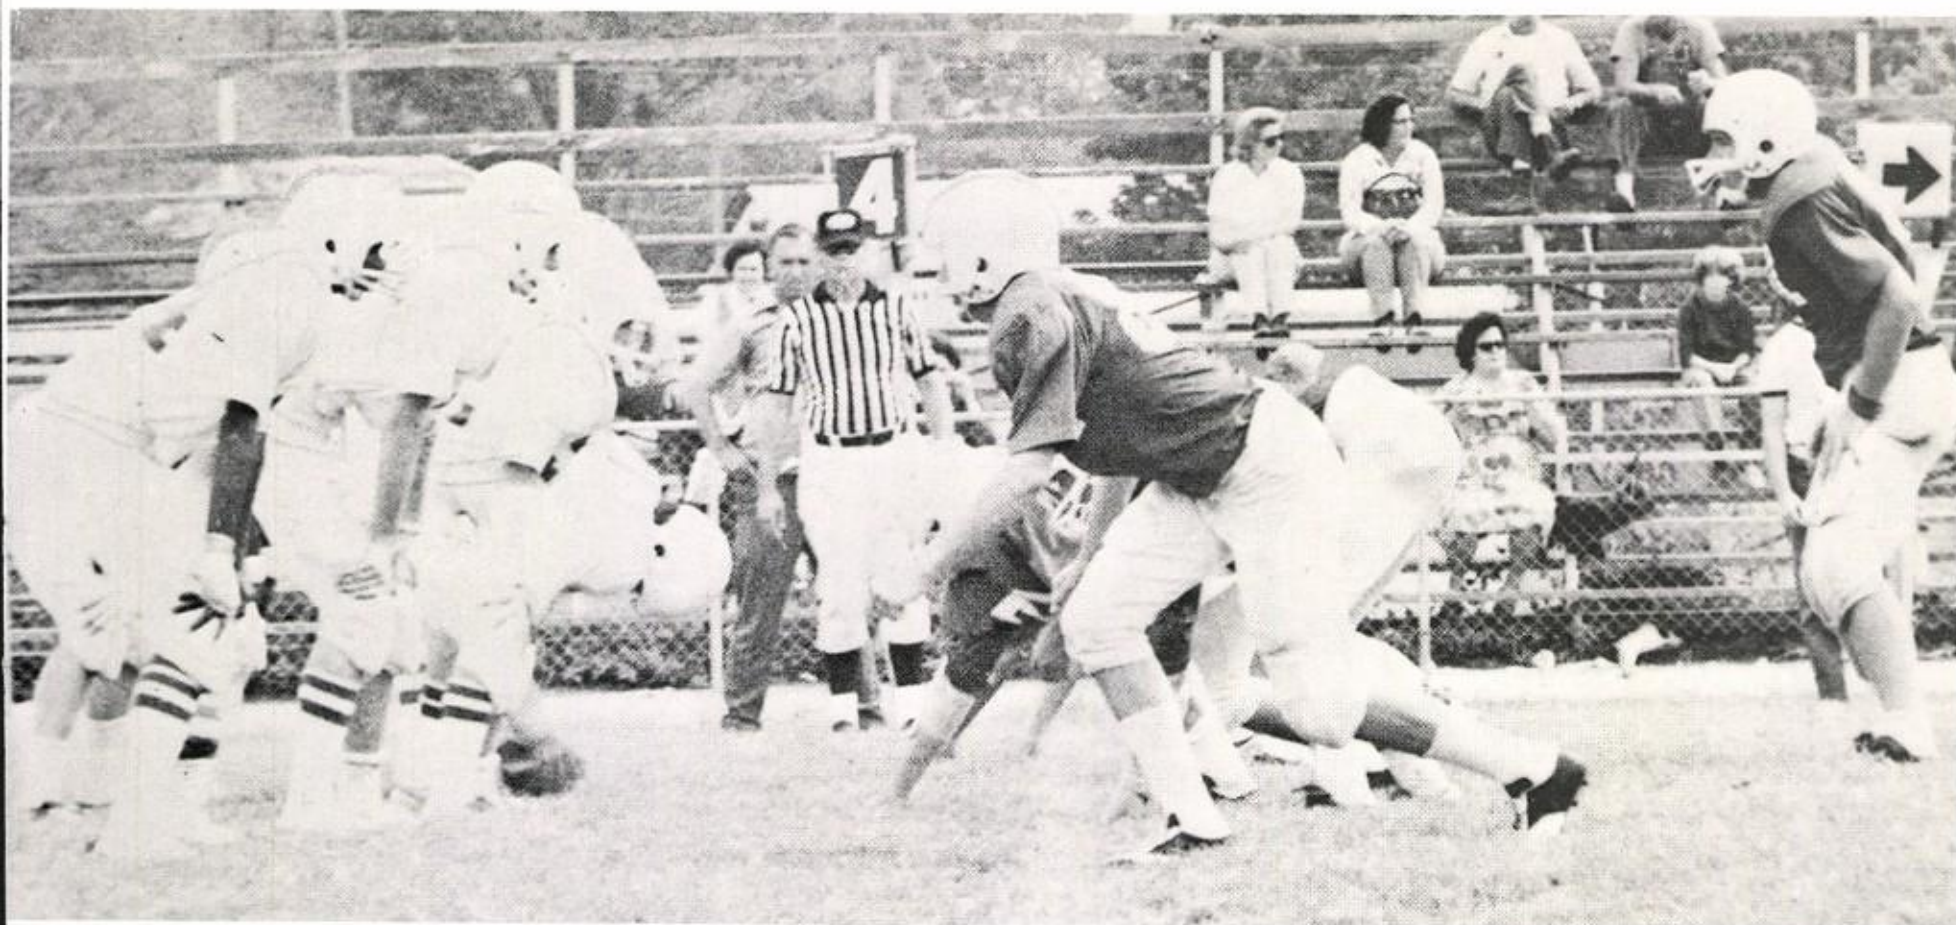

Memories pressed between the pages of our minds. Memories that never change after the halls are silent. Echoes of the past can still be heard. This is Van Buren Junior High.

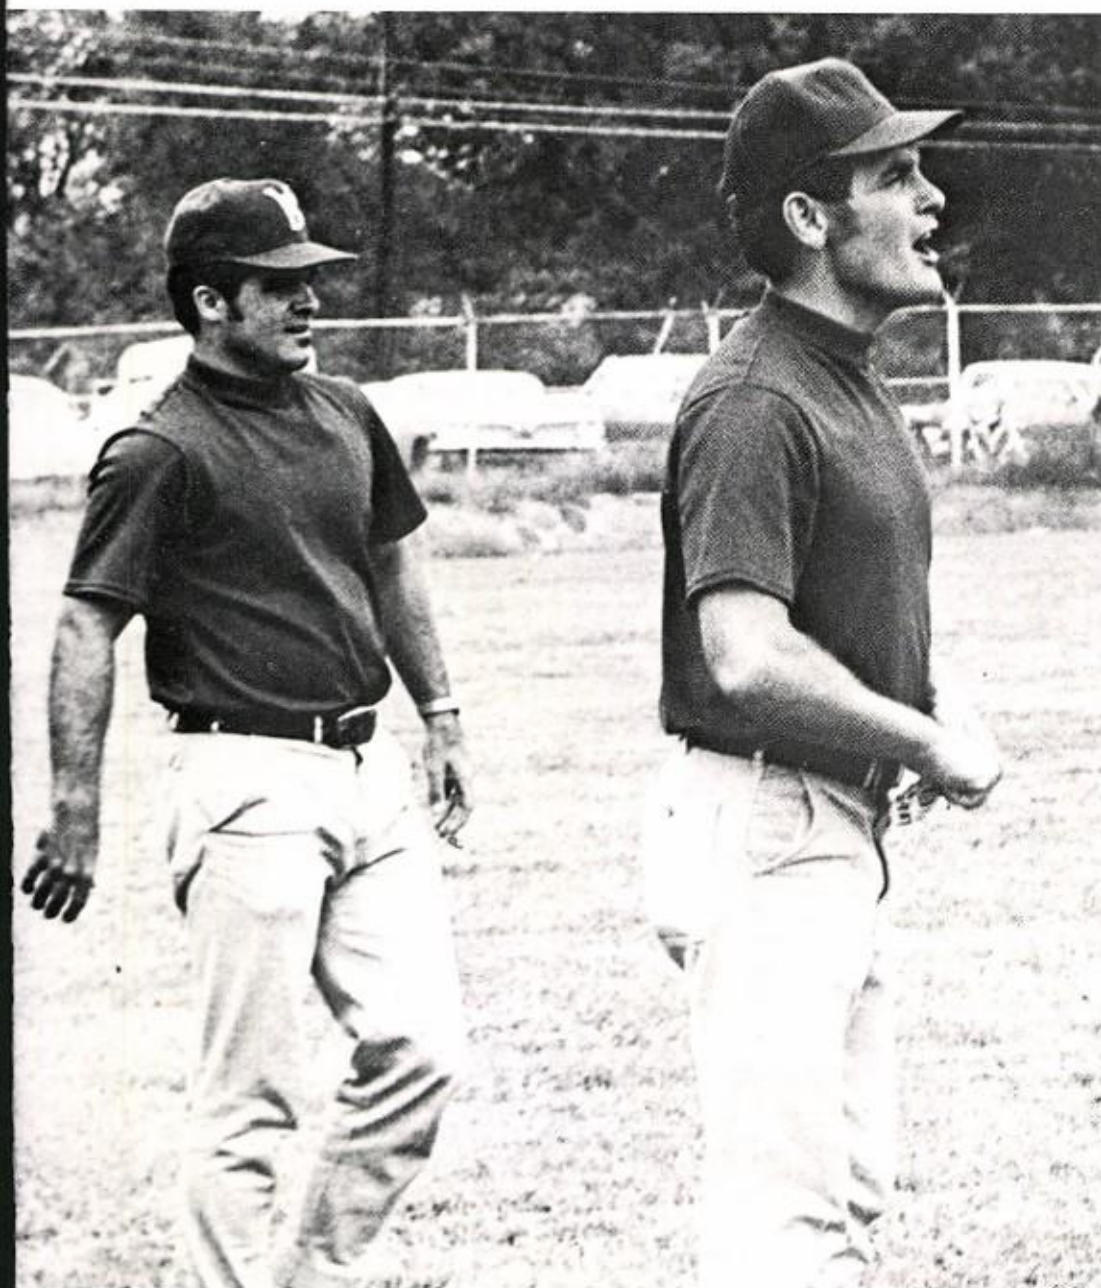

JUNIOR HIGH cheerleaders whip up a cake with a Pup recipe.

THE MIGHTY Pups take on a tough gridiron opponent at Blakemore Field.

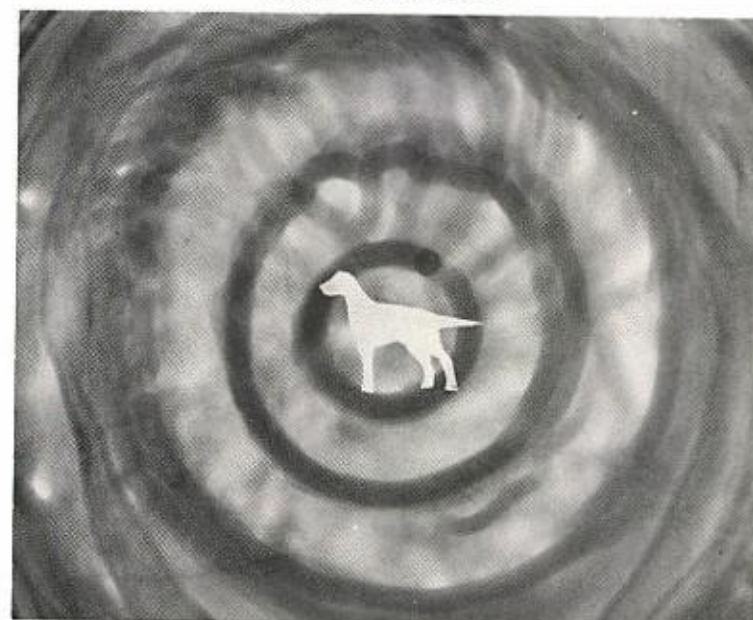

Pup spirit matches all '73 obstacles

"GET THE lead out, Pups!"

"Ouch! That smarts!"

THROUGH THE eye of a Pup Booster.

TEACHERS SERVE in many ways.

MR. DAYLON Cawthon takes a temporary break from the strain of his duties as dean of students.

JUNIOR HIGH students enjoy cafeteria food.

YOU'RE KIDDING!!!!!!!!!!??

A TIME for instruction in a busy class.

guidance

Pointers live on as another year comes to a close, students will once again part, with Sophomores and Juniors to return as Juniors and Seniors, and Seniors to go their separate ways to college and work.

Students will always have one thing in common, however. No matter how far we may go, or how old we are, the memories of Van Buren High School, and the good friends will always remind us of a happy carefree time in our lives.
